- Package: Each individually packaged,PE/Paper or Customized
- Features:Fully fit, Effectively prevent leakage, Not easy to penetrate, Place no sense, Soft touch, Comfortable and convenient, Freedom of movement, Breathable, Large absorption

03

Research & Development

R & D

Our company has standardized laboratories and testing equipment. Before products leave the factory, they will undergo slippage tests, side leakage tests, pressurization tests, instantaneous absorption tests, fluorescent agent detection tests, surface wear resistance tests, etc.

R & D

We have built a strong quality technology center team, learned the most advanced quality management, cutting-edge R&D thinking, and won dozens of practical patents. The invention patents bear witness to our R&D strength and wisdom.
