GEAKITA

BUILT FOR PERFORMANCE. ENGINEERED FOR LIFE.

Founded in 2015, GEAKITA is a global brand dedicated to delivering high-performance power tools, intelligent cleaning robots and professional accessories. We combine advanced engineering, strict quality control and user-centered design to create reliable solutions for professionals around the world.

With innovation at our core and customers at the heart of everything we do, GEAKITA continues to build a smarter, cleaner and more efficient future.

OUR PRODUCT ECOSYSTEM

POWER TOOLS ELITE SERIES

High performance tools for the toughest jobs.

INTERNATIONAL SERIES

Professional tools for global distribution.

E-COMMERCE SERIES

Reliable solutions for online and retail markets.

AQUA ELITE SERIES

Smart pool cleaning robots for crystal clear water.

CLEAN ELITE SERIES

Intelligent cleaning robots for commercial spaces.

ELITE ACCESSORIES

Professional accessories to maximize efficiency.

OUR MISSION

To empower professionals and businesses worldwide with innovative, durable and efficient solutions.

OUR VISION

To be the global leader in tools and intelligent cleaning solutions, creating value for customers and a better world.

GLOBAL OPERATIONS NETWORK

GEAKITA has established a strong global network with three strategic centers in China and partners worldwide. This integrated system ensures innovation, quality manufacturing, efficient supply chain and responsive service for our global customers.

OUR COMMITMENT

INNOVATION

Continuous innovation to create better products.

QUALITY

Strict quality control for reliable and durable products.

EFFICIENCY

Efficient operations ensure fast delivery worldwide.

PARTNERSHIP

Building long-term partnerships based on trust and value.

SERVICE

Responsive support for our partners and customers.

QUALITY & CERTIFICATION SYSTEM

GEAKITA

QUALITY IS OUR FOUNDATION

GEAKITA is committed to delivering reliable, safe and high-performance products. We strictly follow international standards and implement comprehensive quality control throughout the entire product lifecycle.

OUR CERTIFICATIONS

ISO 9001

Quality Management

International quality management system certification.

CE

European Conformity

Complies with EU safety, health and environmental protection requirements.

RoHS

Environmental Protection

Restricts the use of hazardous substances in electrical and electronic products.

UN38.3

UN38.3

Battery Safety

Ensures the safety of lithium batteries during transport and handling.

TÜV

Product Safety

Authoritative testing for product safety and reliability.

MSDS

Chemical Safety

Provides safety data for chemical substances in our products.

OUR TESTING CAPABILITY

DROP TEST

Simulate real working conditions to ensure product durability.

DURABILITY TEST

Long-term operation tests to guarantee reliability and stability.

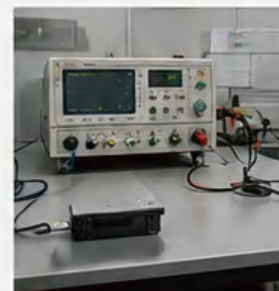

BATTERY TEST

Comprehensive tests on battery performance, safety and life cycle.

RELIABILITY TEST

Strict environment and structure tests to ensure product reliability.

SAFETY TEST

Electrical safety tests to ensure compliance with global standards.

QUALITY
YOU CAN TRUST

Strict Quality Control
100% commitment to quality.

Reliable Performance
Built for professionals worldwide.

Continuous Improvement
Innovation driven by quality.

Global Compliance
Meeting the highest international standards.

GEAKITA PRODUCT ECOSYSTEM

GEAKITA provides a comprehensive product ecosystem that covers professional power tools, intelligent cleaning solutions and high-quality accessories. With one battery platform, one standard and one commitment to quality, we deliver multiple solutions for professionals and businesses worldwide.

01 ELITE POWER TOOLS

BUILT FOR PROFESSIONALS

High-performance tools engineered for the toughest jobs and maximum productivity.

- Powerful Performance
- Brushless Motor
- One Battery Platform
- Professional Durability

02 INTERNATIONAL SERIES

TRUSTED WORLDWIDE

Professional quality tools for global distribution and industrial applications.

- Reliable Quality
- Ergonomic Design
- Efficient Operation
- Global Support

03 E-COMMERCE SERIES

SMART CHOICE FOR EVERYONE

Reliable tools with great value for online and retail markets.

- Great Value
- Lightweight Design
- Easy Operation
- Wide Applications

04 AQUA ELITE SERIES

SMART POOL CLEANING

Advanced robotic pool cleaners for crystal clear water with less effort.

PC10 | PC20 | PC200

- Superior Cleaning
- Intelligent Navigation
- Energy Efficient
- Easy Maintenance

05 CLEAN ELITE SERIES

INTELLIGENT CLEANING ROBOTS

Intelligent cleaning robots for commercial and industrial spaces.

- Smart Navigation
- Powerful Cleaning
- Safe & Reliable
- Multi-scenario Application

06 ELITE ACCESSORIES

COMPLETE PERFORMANCE

High-quality accessories designed to enhance performance and extend tool life.

- Premium Quality
- Wide Range
- High Compatibility
- Longer Life

ELITE POWER TOOLS
