The image shows a formal credit rating certificate. At the top center is a blue logo consisting of a stylized 'H' shape. Below the logo, the title '资信等级证书' (Credit Rating Certificate) is written in large, bold red characters. Underneath the title, the text '中华人民共和国企业信用等级评定: 10007' (China Enterprise Credit Rating Evaluation: 10007) is printed in black. The certificate number '查询编号: GJ2004XY0313062 (1-5)' is displayed in the upper middle section. The rating agency '资信评定' (Credit Rating Evaluation) is listed below the number. The client's name '广东日昌家具有限公司' (Guangdong Rishang Furniture Co., Ltd.) is prominently featured in the center. The rating 'AAA 级' (AAA Grade) is shown in large red characters. The validity period '有效日期: 2004年03月13日' and the expiration date '有效期至: 2007年03月13日' are provided. The issuing organization '中国企业信用等级评定网' (China Enterprise Credit Rating Evaluation Network) is listed with its website 'www.creditchina315.com' and phone number 'www.guobao315.com'. A QR code is located in the bottom left corner, and a red circular seal of the '北京冠捷时速信用管理有限公司' (Beijing Guanjieshi Credit Management Co., Ltd.) is in the bottom right corner. The company name is also printed at the very bottom.

Cooperative Brands

- E0 grade “Crown” GT board imported from Malaysia.
- China Dehua Rabbitbaby E0 grade environmental protection blockboard boards.
- China Nanhai Guanhua Wood Industry has reached E1 and E0 grade environmental protection boards.

Environmentally friendly, waterproof ,durable, healthy and non-deforming

It is resistant to insect damage, has good heat preservation, does not deform or crack, is sturdy and durable, has excellent heat preservation performance, is safe to use, and has a strong three-dimensional effect.

It has a clear layering, high bonding strength, little warping and deformation, no expansion, and is smooth and flat.

Plate Process

Size

1220*2440*9\15\18\25 (all using these four thicknesses)
Environmentally friendly, healthy, non deformable,
waterproof, durable, smooth and even

Environment protection

Exceeding the national E1 level environmental protection standards
is E0 level and ENF level; The formaldehyde content requirement
for the new national standard E0 level is $\leq 0.050\text{mg/m}$

Workmanship

In order to prevent shrinkage of the board due to climate influence, all high
gloss painted decorative panels are laminated with 3 medium+multi-layer
boards+3 medium boards; door frames, washbasins, kitchen cabinets, and
other places that are prone to moisture can only use multi-layer boards;

Wood veneer

The commonly used thickness of veneer is $0.6\text{mm} \pm$ natural veneer, dyed
veneer, technological veneer, spliced veneer, and rolled veneer
(non-woven veneer)

SHERWIN-WILLIAMS®

Furniture paint

Complete solution for excellent painting

Whether at home or in the office, furniture is an eternal theme in daily life.

Consumers expect paint films to be clean and aesthetically pleasing,

yet durable enough to withstand the test of daily life,

while you are constantly seeking cost-effective

solutions to increase production and profits.

Xuanwei Coatings has excellent performance and appearance,

whether you are working in residential, hotel or

commercial furniture, we are trustworthy.

Cooperative Brands

Valspar is the globally renowned brand of high-end waterborne paint with four-layer coating structure and long-lasting energy-saving guarantee. It adopts the U.S. patented technology.

Therefore, the wall's heat absorption and transfer are controlled by efficiently reflecting the near-infrared heat of the sunlight. It can reduce the indoor temperature, save the energy consumption of air-conditioning and refrigeration, and improve the comfort of human body.
