温州景恒包装有限公司

Wenzhou Jingheng Packaging Co., Ltd.

Wenzhou Jingheng Packaging Co., Ltd. was established in 2017. It is a professional manufacturing enterprise specializing in packaging for cold chain transportation and preservation. It integrates R&D, design, production and sales. It has established long-term cooperation with international renowned brands such as Walmart, Nestle and Carrefour, and its strength has been highly recognized by the industry.

The company mainly deals in export thermal bags, refrigeration and preservation bags, takeout thermal packaging, vaccine refrigeration and preservation bags, and various customized packaging products. Adhering to the concepts of environmental protection, efficiency and durability, it provides a one-stop thermal packaging solution. Its products are exported to multiple countries and regions such as the United States, Canada, Europe, Russia, and the Middle East.

The production facilities are well-equipped. There are 2 fully automated mechanical production lines. The total area of the production plant is 1,900 square meters. We have a stable and efficient production team, which enables us to achieve large-scale mass production and precise customization. In the future, the company will adhere to integrity, focus on quality, and continuously innovate, aiming to become a reliable benchmark brand in the field of insulation and preservation packaging.
