Company Profile

USMILE PET

A Leading Provider of Pet Care Solutions Worldwide

Since its inception in 2018, USMILE PET has grown to become a leading brand in the global pet industry, providing one-stop product solutions covering the core areas of pet grooming, medical treatment, rehabilitation, training and healthcare. With footprints in more than 100 countries and regions around the world, we are committed to enhancing the quality of life of pets and pet owners through innovative products and services.

Our Products and Services USMILE PET has four state-of-the-art production bases around the world, committed to producing high quality pet care products, including but not limited to pet cleaning and grooming equipment, pet medical and rehabilitation products, pet training equipment, pet health care products and so on. We not only provide high-quality products, but also tailor-made business solutions for our customers, from product selection, matching and OEM&ODM services to door-to-door logistics and distribution, as well as a perfect after-sales service system, to help our customers' business growth in all aspects.

Partner's Success, Our Mission: We always put the interests of our partners in the first place. We have helped many entrepreneurs successfully open their first pet grooming salon and quickly become profitable enough to further expand to a second and third location. We have upgraded our grooming salons and veterinary hospitals with state-of-the-art equipment so that pets can enjoy higher-quality services, thus enhancing the competitiveness of these businesses in the marketplace.

Attracting Global Partners: USMILE PET has attracted many importers and distributors to join our family. This is not only a business opportunity, but also a great endeavor as we work together to create a better life for pets and pet owners.
