

## ◆ Company Profile

## Two major sectors of Olymspan

### ◆ Jiangsu Olymspan Equipment Technology Co.,Ltd

- Established on December 8, 2004
- Production area 45000 m<sup>2</sup>
- More than 200 employees, with technology R&D accounting for 32%
- Products are exported to more than 90 countries in the world

### ◆ Jiangsu Olymspan Composite Co.,Ltd

- Established on September 25, 2018
- Production area 5000 m<sup>2</sup>
- More than 90 employees, with technology R&D accounting for 30%
- With product structure design, mold design, process design, ply design Customized proofing and other capabilities

# ◆ Quick-opening Pressure Vessel

## • Autoclave

- AAC aerated block/ALC aerated plate
- Calcium silicate board/cement fiber board
- Autoclaved brick

## • Composite Autoclave

- Carbon fiber traffic products
- Carbon fiber mechanical parts
- Carbon fiber aviation products

## • Glass Laminating Autoclave

- Automobile glass
- Architectural glass

## • Rubber Vulcanizing Autoclave

- Reinforced rubber
- Modified rubber

## • Autoclave

- Pipe pile
- Ceramsite board
- Cement prefabricated parts

## • Sand Lime Brick Autoclave

- Flame retardant wood
- Antiseptic wood
- Modified wood

## ◆ Non Standard Container

- **Storage Tank**
- **Vertical storage tank**
- **Horizontal storage tank**

- **Tower**
- **Packed tower**
- **Plate tower**

- **Heat Exchanger**
- **Tube heat exchanger**
- **U-tube heat exchanger**
- **Floating head heat exchanger**

- **Reactor**
- **Stirring reactor**
- **Tubular reactor**
- **Casing reactor**
- **Hydrogenation reactor**
- **Alkynylation reactor**

# ◆ Non Standard Container

**Chemical tower equipment**

**Stainless steel tower**

**Extreme cold tower**

**Hydrolysis tower in Canada**

# ◆ Non Standard Container - Tower

**Heat accumulator**

**Condenser**

**Heat exchanger**

**Overlapping heat exchanger**

**Azeotropic tower carrier**

**Heat exchanger**

# ◆ Non Standard Container - Tower

**Liquid chlorine vaporizer**

**Hydration reactor**

**Liquid chlorine vaporizer**

**Hydrogenation reactor**

**fixed-bed reactor**

**Distillation kettle  
steam generator**

# ◆ Non Standard Container - Tower

**fixed-bed reactor**

**Distillation kettle  
steam generator**

**Liquid chlorine vaporizer**

**Oxalic acid reactor**

**Main reactor**

**Polymerization reactor**

# ◆ Non Standard Container - Tower

**Stainless Steel Storage Tank**

**Filter**

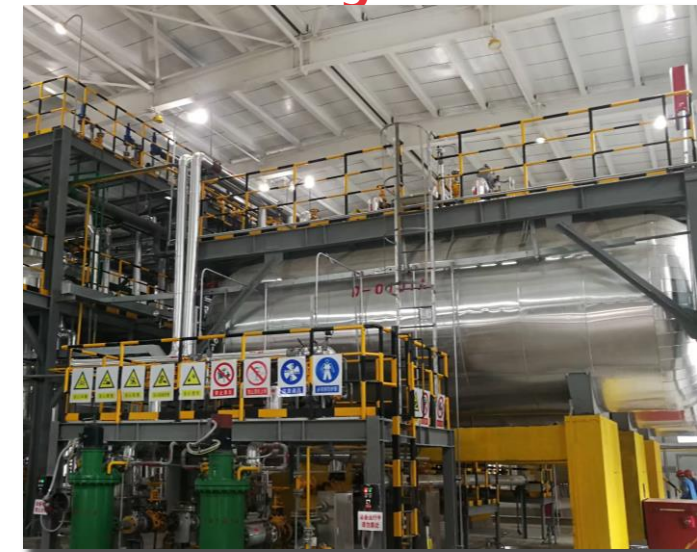

**Sanitary vertical storage tank**

**ASME and NR-13 certified stainless steel exchangers**

**storage tank**

**Liquid chlorine storage tank**

# ◆ Non Standard Container - Tower

**Methanol tank**

**Buried storage tank**

**Food storage tank**

**Propane tank**

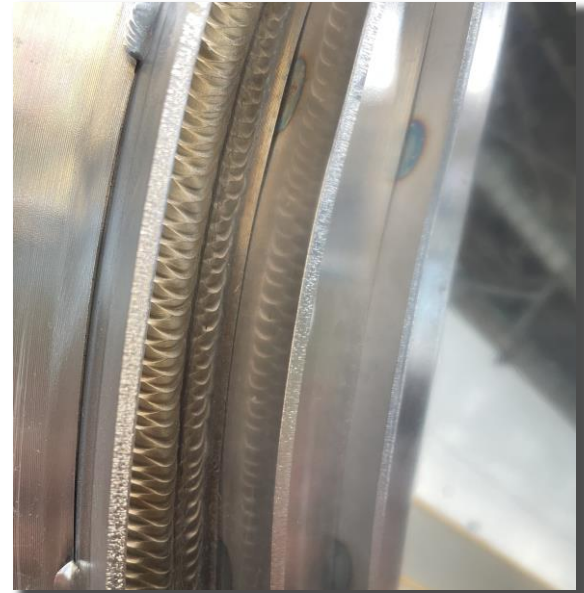

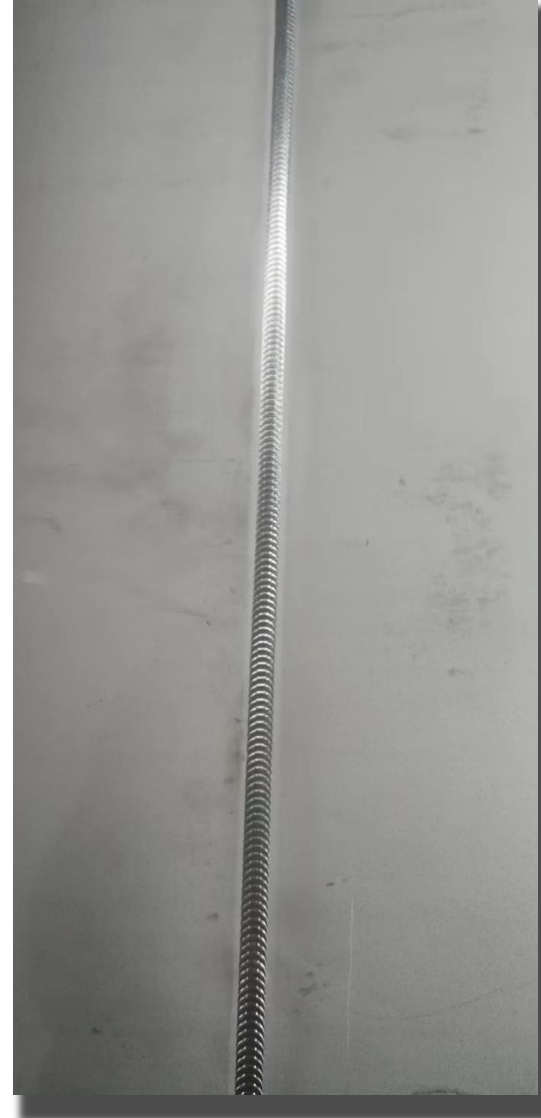

**Catalyst mixing kettle**

**Stainless Steel Storage Tank**

# ◆ Welding profile

# ◆ International Case of Composite Autoclave

**Australia 4.0 × 6**

**Italy 3.2 × 4**

**Portugal 3.5 × 6**

**Spain 3.0 × 6**

**Canada 3.0 × 8**

**Russia 2.0 × 12**

# ◆ International Case of Composite Autoclave

**Russia 1.6 × 3**

**Portugal 3.5×6**

**France 2.5×9**

**Australia 4×8**

**Republic of Korea 3.0×5**

**India 3.5×6**

# ◆ International Case of Composite Autoclave

**Japan 2×4**

**Korea 2×6**

**Taiwan 2×3**

**India 2×5**

**Sweden 2.2×12**

**Britain 1.6×7**

# International Case of Composite Autoclave

**Russia 0.8×1.5**

**Russia 1.6×3**

**Serbia 2.0×4**

**France 1.6×3**

**America 2.0×4**

**HRC Rapid prototyping station**

# ◆ International Case of Autoclave

**MAGICRETE in India**

**FOCON in Indonesia**

**SAINT-GOBAIN in Vietnam**

**STARKEN in Malaysia**

**GAZBETON in Uzbekistan**

**SPS in Indonesia**

# ◆ International Case of Autoclave

**Infra in India**

**Brixo in Industries in India**

**Tirumala in India**

**MERAK in Indonesia**

**KALLAKUNTA in India**

**LLC Aeroc in Ukraine**

# ◆ Carbon Fiber Products - Automobile

**BMW M3 engine cover**

**Lexus engine guard**

**BMW 3-series reflector**

**Ford mustang engine guard**

**BMW 3 Series front and rear lip**

**Audi S series engine guard**

# ◆ Carbon Fiber Products - Transportation Industry

**Car front lip**

**Automobile rearview mirror**

**Automobile rearview mirror**

**Automobile rearview mirror**

**Carbon fiber ship**

**Motorcycle carbon fiber products**

# ◆ Carbon Fiber Products - Aerospace

**UAV blade**

**UAV tail**

**Missile wing**

**Satellite support**

**Satellite connector**

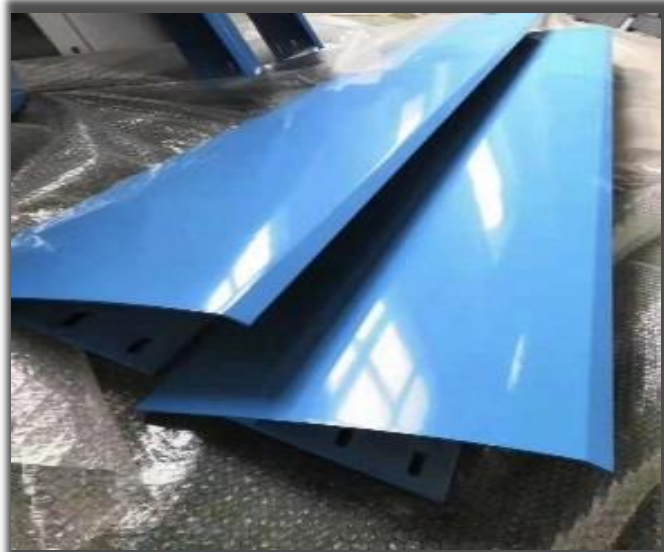

**Aircraft fuel tank**

# ◆ Carbon Fiber Products - Rail Transit

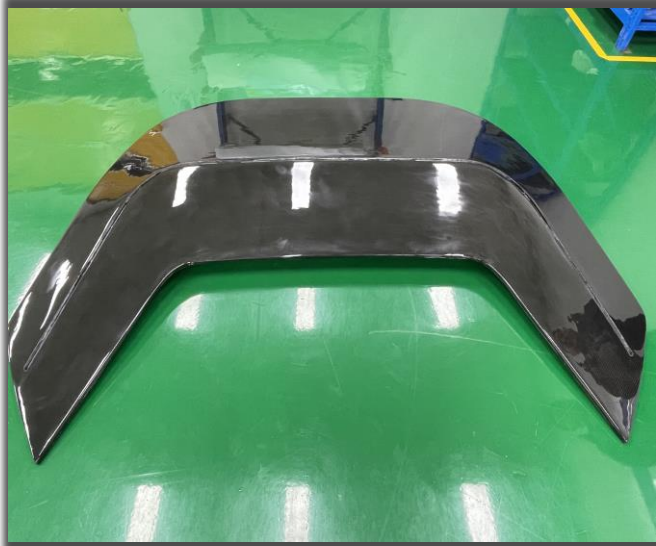

High-speed railway cab console

High-speed rail apron

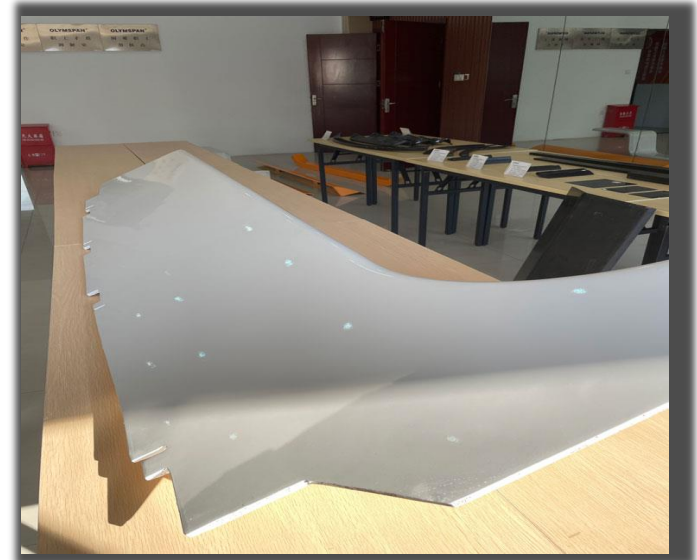

Hat brim of driver's desk

Hat brim of subway driver's desk

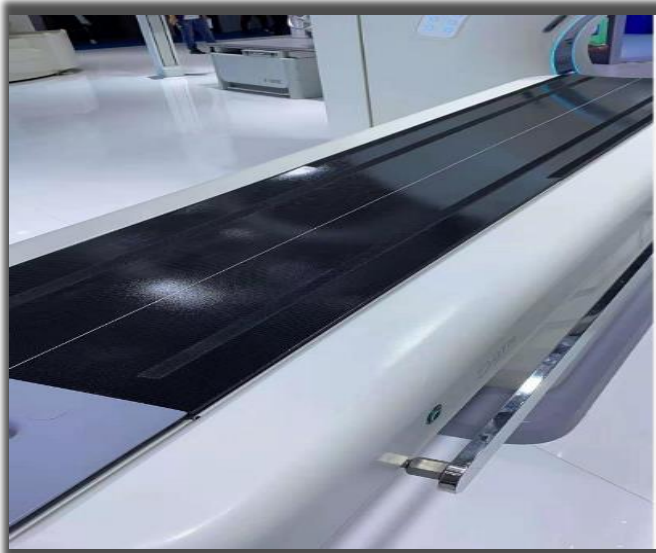

Subway handrail

Metro arch

# ◆ Carbon Fiber Products - Industrial Applications

**CT machine tool board**

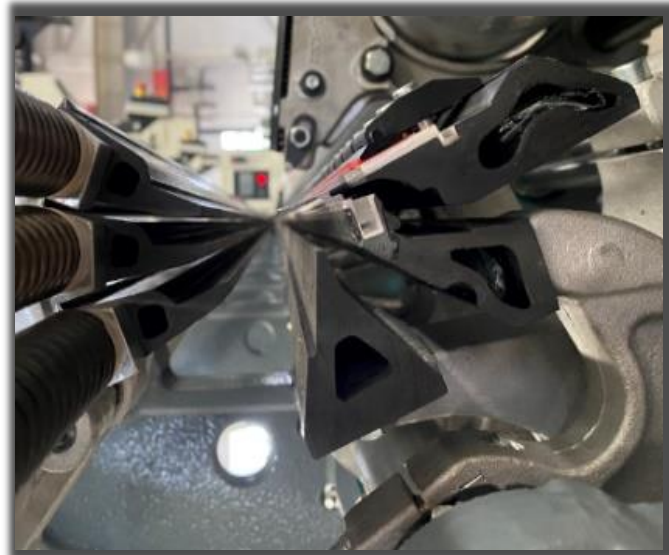

**Magnetic resonance bed**

**Medical tablet**

**LCD screen manipulator**

**Textile machine parts**

**Mechanical parts**

# ◆ Cooperative Partner

**Russian RU OAK aviation hot press tank customer**

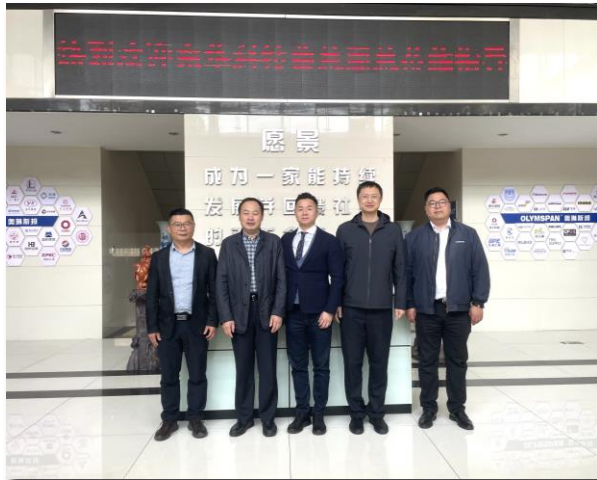

**Toray customers in Japan**

**Thai Mahapan Autoclave Customer**

**Customer of Saimaike CRF heating tank**

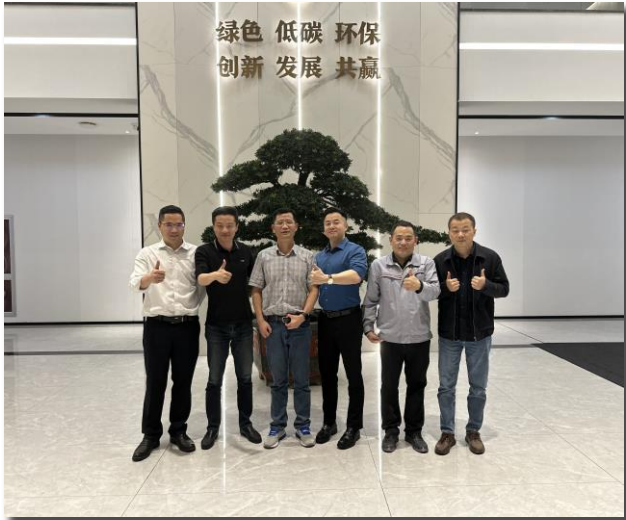

**Donghua Engineering Customer**

**Meeting with Aircream Europe management**

# ◆ Cooperative Partner

**Zhejiang Yuanzhu Aircream Strategic Cooperation**

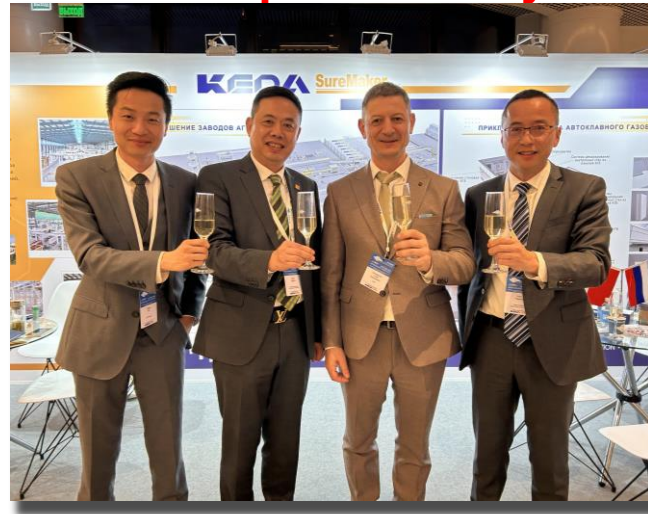

**Customer of MASA Group in Germany**

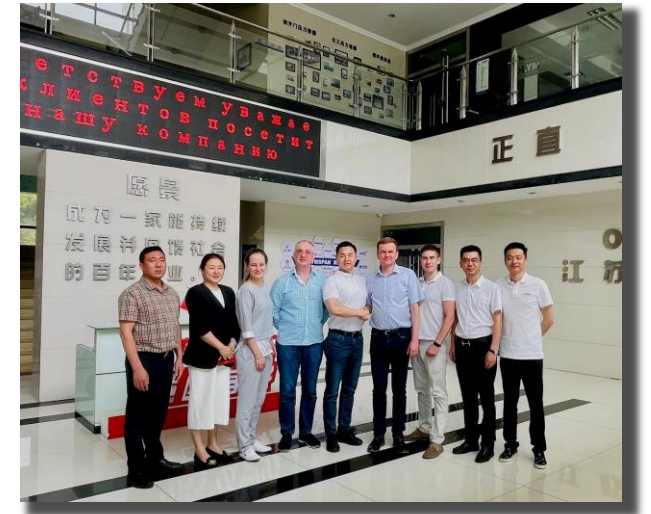

**College Leaders**

**Egyptian Autoclave Customer**

**Group photo of Russia Gas Annual Meeting**

**XIAOLONG Hot Pot Customer from Russia**

# ◆ Cooperative Partner

**Customer of Aircrete in DUTch**

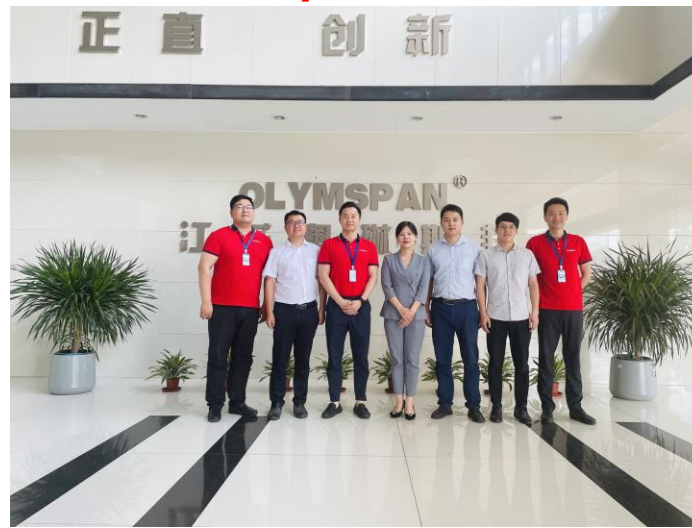

**Customer of kazankompressor in Russia**

**Pakistan Delegation**

**Customer of INFRA in India**

**Costomer of SANY**

**Aerodynamic Research Institute**
