02 Main Products

03 Production & QC

04 Our Service

Since **2003**
23 years

3 offices in China
7 offices overseas
6 productions bases

603 Employees

Area: **117 000** m²

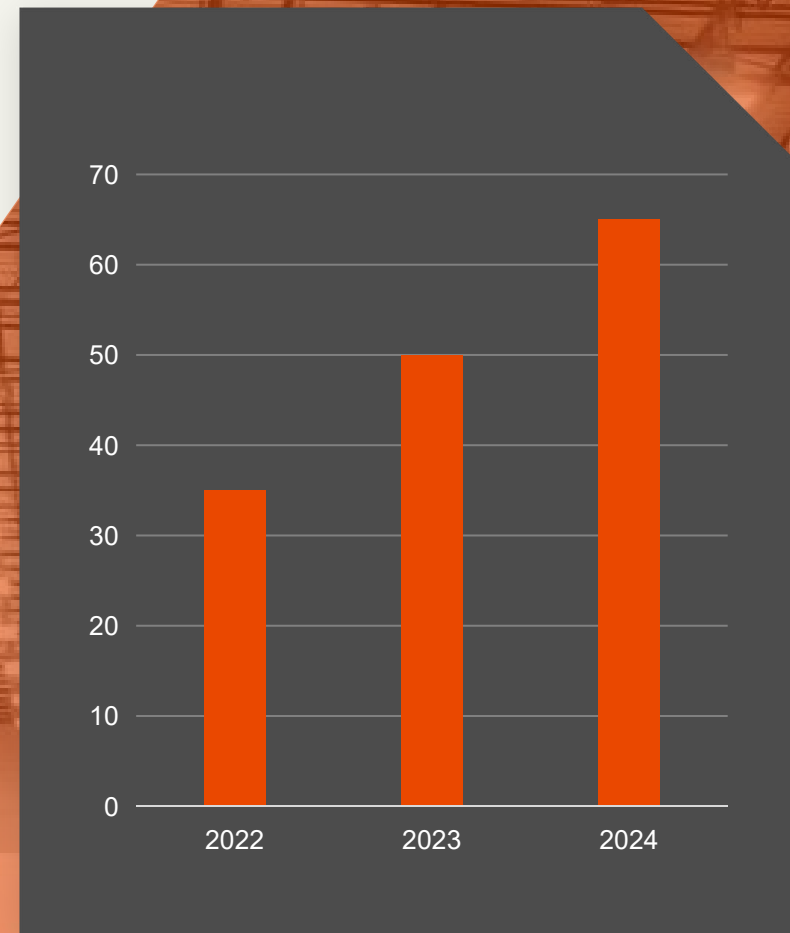

2025 Turnover:
50 Million USD

Main Market: Over
92% exported globally

Reference Customer

Main Market: Over **92%** exported globally

HM Group Milestones

End of 2003

Returning to Join the Family Business

Daniel returned to China from Australia and took charge of the international trade business of the family company, initiating the expansion into global markets.

2021

Team Maturity and Emerging Strategic Differences

The international trade team became well-established, with steady growth in global orders. However, differences began to emerge internally regarding strategic positioning, product quality standards, and future development directions.

2023-2024

Three Major Manufacturing Bases Established

Daniel invested in and integrated three production facilities:

- Xiamen Factory
- Nanjing Factory
- Qingdao Factory

Forming an integrated manufacturing system covering automated welding, mass production, and structural design.

2024—Present

Brand Mission Fully Upgraded

HM Group introduced a renewed brand philosophy and slogan: **HOLD GOODS, MOVE WORLD**. Through reliable products and localized sales and engineering support, we provide tailored, sustainable, efficient, and safe material handling solutions for global enterprises.

2005–2015

Recognition by Global Key Clients

Under Daniel's leadership, the company successfully supplied to several international brands:

- Coca-Cola Germany: 15,000 sets of PET bottle cages
- Nestlé: 10,000 sets of storage containers
- Dexion Group: Exclusive supplier of wire mesh pallets

This period laid a solid foundation for engineering standardization, quality systems, and global supply capabilities.

2022

Founding Team Sets Out on a New Journey

To preserve family harmony while adhering to long-term values, Daniel decided to leave the family business.

The international trade team, built on trust and shared values, chose to start a new venture together. HM Group was officially established.

2024

Global Expansion Initiated

HM Group launched a new global strategy and established localized teams:

- United States & Canada: Sales, technical, and service centers
- Mexico: Hub for Latin American operations
- Argentina, Brazil, Saudi Arabia, South Africa: Local sales and service teams

Delivering on the commitment to be "close to our customers."

RESULTS OF Work=Mental Attitude×Effort×Ability

Mission

To provide opportunities for the material and intellectual growth of all our employees. To provide efficient and safe material handling solutions worldwide and through our joint effort contribute to the advancement of society and humankind.

Vision

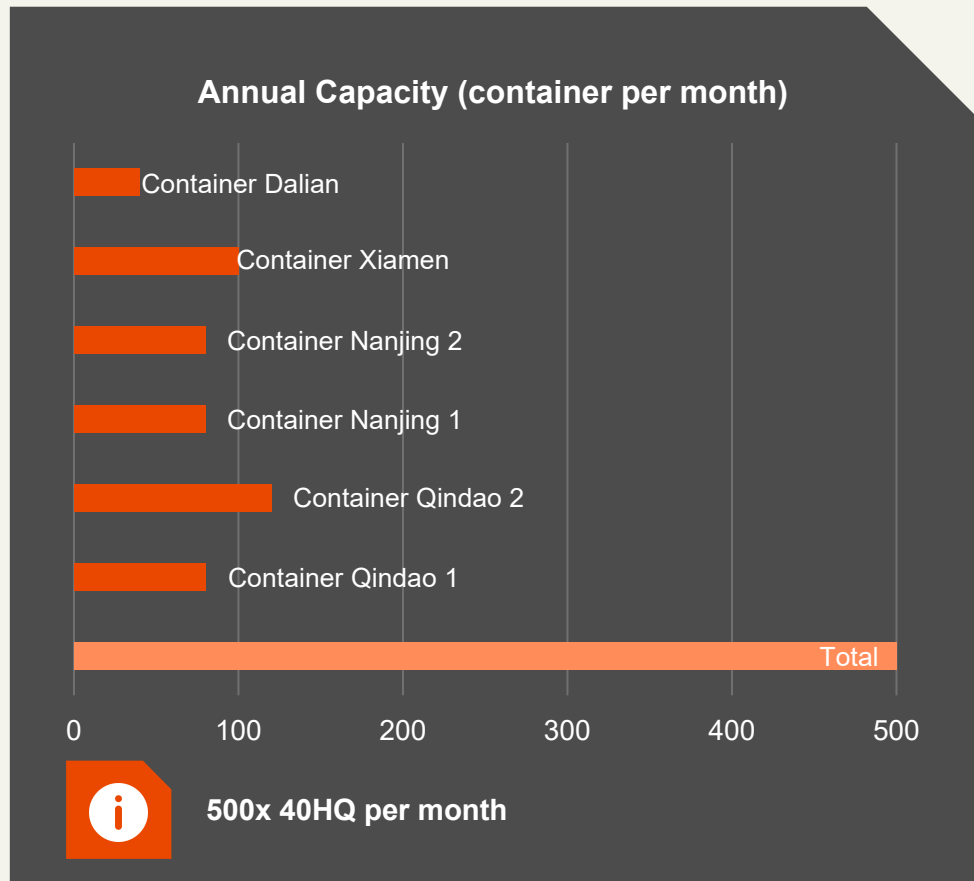

To be a employees happy & A respected century-old enterprise

Value

Customer First,
Teamwork,
Embracing Change,
Integrity,
Modesty,
Dedication,
Gratitude

Neutral salt spray test report

Test Date: 2020.3.22-2020.4.21
 Test Item: Hexavalent chromium color passivation Nss test

1. Test purpose: when does red rust appear?

2. Test condition:
 Spray mode: Continuous spray
 Test temperature: 35 ± 1°C
 Saturator temperature: 37 ± 1°C
 Spray pressure: 0.09MPa
 PH value of test solution: 6.5-7.2
 NaCl concentration: 5.0 ± 5g/L

3. No red rust in 360 hours
 Test results: (please see photo)
 - Before test After 790 hours

4. No red rust in 790 hours, test over

Tested by: Hou Yanli
 Reviewed by: Liu Yang

— Easy to load & unload with forklift.
