

## **Professional Manufacturer of Concrete Pump Pipes and Spare Parts**

Hebei Qixiang Pipe Industry Co., Ltd. is a comprehensive enterprise specializing in the R&D, production and sales of concrete pump pipes. Located in Mengcun Hui Autonomous County, Cangzhou City, Hebei Province — known as the Hometown of Pipe Fittings in China — our company covers a total area of over 30,000 square meters. We operate more than 10 advanced production lines for pump-truck pipes, employ over 50 skilled workers, and boast an annual production capacity of 7,000 tonnes.

Our wear-resistant delivery pipes for concrete boom pumps feature excellent pressure resistance, wear resistance, crack resistance and long service life, winning wide recognition and favorable comments from numerous customers. We have also established long-term and stable cooperative partnerships with well-known enterprises including SANY and XCMG.

## **Concrete Pump Pipe Products for All Industries**

Equipped with advanced delivery flow testing systems and hardness testing equipment, Qixiang Pipe Industry maintains advanced industry standards for its products. Our main products include concrete pump pipes, mortar pump pipes, wear-resistant pump pipes, hoses, concrete pump spare parts, elbows, pipe clamps and other related fittings.
