成功案例
successful case

Dongguan Display Leader Co., Ltd. was established in 2013 and is a professional display manufacturer for all kinds of brands . We are focused on providing one-stop design and customized solutions for retail product displays, POP displays, display cabinets and display props for all brands. We have a more than 40,000 square meters manufacturing base , with mature process and manufacturing , advanced production equipment and quality system, which can meet the manufacturing needs for all kinds of customization.

We produce all kinds of displays made of metal, acrylic, wood products, plastic and other multiple materials. Based on the development strategy of professional focus, we have rich experience on providing customized solutions for food and beverages, wine, 3C digital products, etc .,.From creative designs to production, full after-sales service, to help customers reduce procurement costs, reduce communication time, and create better display effects.

After continuous development and growth, we currently have 480 professional and technical personnel, 45 R&D teams, 36 quality teams, and our own hardware workshop, acrylic workshop, wood product workshop, powder coating line, silk screen workshop, and packaging workshop, with an annual production capacity of over 900 containers.
