▶ 热处理 HEAT TREATMENT

热处理车间主要以正火、退火、调质、表淬为主，主要加工设备为13米X2米X1.5米台车炉，10米X2米X1.5米台车炉，数控卧式中频淬火机床，立式数控中频/工频淬火机床等。主要加工产品高端无缝钢管、轴类件、冷轧辊、热轧辊、模具、石油钻具、离心球墨铸铁管管模等，擅长 S355J2H S390 S420 S460 42CrMoS4 SAE4140+QT SAE4130+QT SAE 4145HMOD SAE 4340等材质的热处理。

Heat treatment workshop mainly for normalizing, annealing, quenching and tempering, table quenching, the main processing equipment for 13 m X2 m X1.5 m rotary furnace, 10 m X2 m X1.5 m rotary furnace, CNC horizontal intermediate frequency quenching machine, vertical CNC intermediate frequency/power frequency quenching machine, etc.

The main processing products are high-end seamless steel pipes, shaft parts, cold rolls, hot rolls, molds, oil drilling tools, centrifugal ductile-iron pipe molds, etc. Good at heat treatment of S355J2H S390 S420 S460 42CrMoS4 SAE4140QT SAE4130+QT SAE 4145HMOD SAE 4340 and other materials.

▶ 钢管 STEEL PIPE

我们的主要产品包括无缝钢管、焊管、棒材、机加工处理的半成品。其中钢管产品涵盖热轧和冷拔两个品类，钢管产品严格按照ASTM, CE执行标准, 包括EN10210, EN10216, EN10083, EN10305, EN10025, EN10217, API5L, A106, A53, A335, A333等等。

Our main products are seamless steel pipes, welded pipes, steel bar, machining processing of semi-finished products. We hold CE certificates. Among them, steel pipe products cover two categories: hot rolled and cold drawn. Steel pipe products strictly comply with ASTM, CE standards. Including EN10210, EN10216, EN10083, EN10305, EN10025, EN10217, DIN1629, API5L, A106, A53, A335, A333.

Products range:
seamless pipes: OD 20mm -1060mm WT 2mm - 200mm
bars: 10mm - 800mm

▶ 公司简介 COMPANY PROFILE

山东拓达机械设备制造有限公司依托于聊城无缝钢管市场并将产业优势进行了资源整合, 现为集钢管热处理生产和库存的高品质制造型企业。

我们拥有教授级高级工程师、研究级高级工程师数名, 为生产高质量产品保驾护航。

以良好的产品质量及服务赢得了来自欧洲、美洲、东南亚以及非洲客户的一致好评。无论是现在还是未来, 市场和客户的需求驱动着我们的进步和发展。

Shandong Tuoda Machinery Equipment Manufacturing Co., Ltd relying on the advantages of seamless steel pipe industry in the market of Liaocheng, the company integrated resources and now it is a high-quality manufacturing enterprise. The range of our production includes pipe stocks, steel heat treatment.

We are equipped with advanced mechanical equipment, with senior professor-level mechanical engineers, for the production of high-quality products escort.

With good product quality and service, we have won the praise of customers from Europe, America, Southeast Asia and Africa. Whether it is now or in the future, the market and customer demand for us drives our progress and development.
