ABOUT US

THUMBS UP

Founded in 2009 in Guangzhou, Thumbs-up Technology has swiftly expanded its presence worldwide, propelled by a dynamic design team and a robust supply chain network. With a robust monthly production capacity of 350,000 pieces and stringent quality controls, we consistently deliver luxury-grade Wallets that surpass industry standards.

At Thumbs-up Technology, we take immense pride in our diverse selection of customizable models and our comprehensive OEM and ODM services. Our rigorous quality control and use of eco-friendly materials ensure that our wallets not only look good but also positively impact the environment.

OEM & ODM

- Experienced R&D and Patent Team
- Standardized Production Process
- Rigorous Quality Control - 6 Steps QC
- Fast Responsive Professional Service Team

OUR ADVANTAGE

PRODUCT OPTIMIZATION

- Custom designs
- New product development
- Packaging design

LISTING OPTIMIZATION

- High-quality images
- Enhanced product descriptions
- Keyword research

INVENTORY & RESTOCKING

- Fast restocking
- Production forecasting

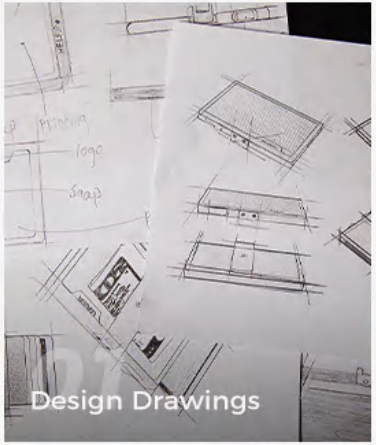

LOGISTICS & FBA SUPPORT

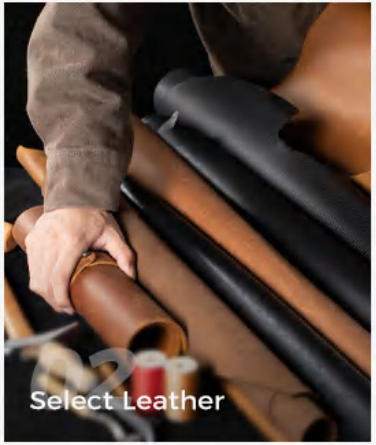

- FBA packaging and labeling
- Overseas warehousing

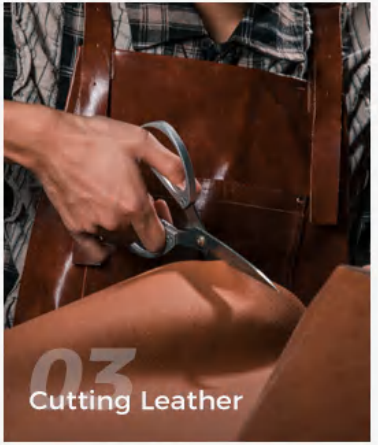

CUSTOM & SMALL BATCH SERVICES

- Flexible small-batch production
- Quick market response

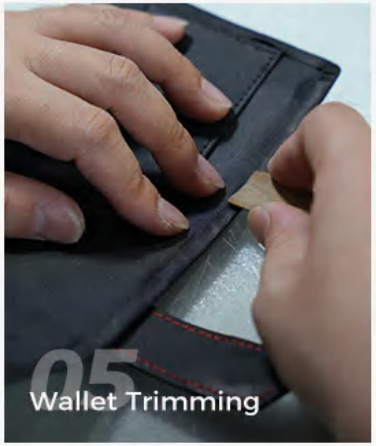

WALLET PRODUCTION PROCESS

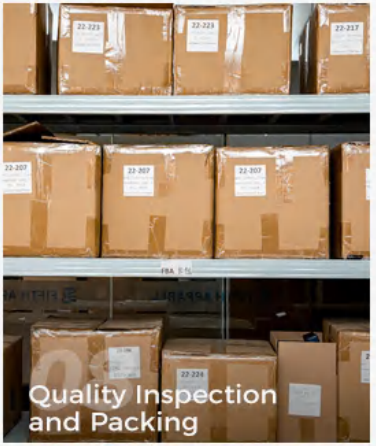

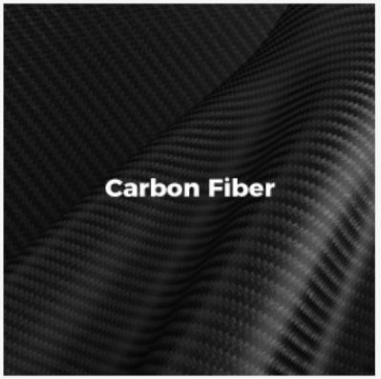

LEATHER SELECTION

CUSTOMIZED LOGO

EXOUISITE GIFT BOX

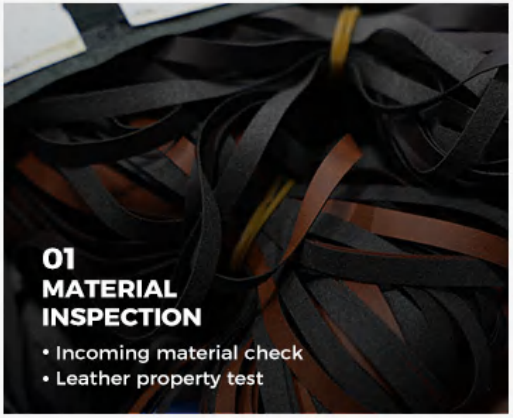

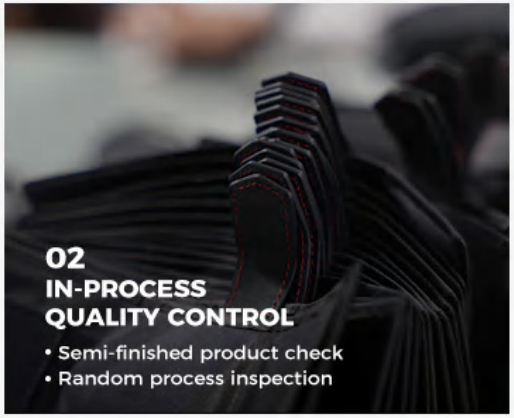

THUMBS-UP 6-STEPS QC

01
MATERIAL INSPECTION
- Incoming material check
- Leather property test

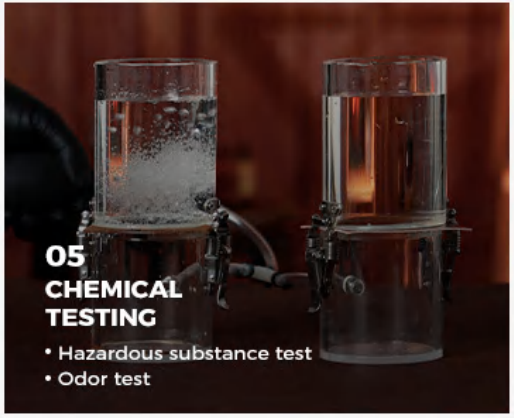

02
IN-PROCESS QUALITY CONTROL
- Semi-finished product check
- Random process inspection

03
FINISHED PRODUCT INSPECTION
- Appearance check
- Functional test
- Dimension verification

04
DURABILITY TESTING
- Abrasion test
- Tensile strength test
- Water resistance test

05
CHEMICAL TESTING
- Hazardous substance test
- Odor test

06
PACKAGING AND FINAL INSPECTION
- Final product inspection
- Barcode and label check
