WADA GROUP

From Wood to Future

WADA GROUP was established in 2010. After more than fifteen years of continuous efforts, development and a commitment to innovation, we strive to provide tailored solutions that meet global standards. Now we have 2 own factories Xuzhou Haohong, Lianyungang Haohong and 2 trading companies in China, 2 overseas branch offices in Japan and Singapore.

Why cooperate with us?

- Expertise: CARB P2, FSC certified company with an efficient sales team of 19 people.
- Quality Assurance: More than 15 years producing experience, a strong quality inspection team of 18 people, and a professional technical production team of 150 people.
- Customer-Centric: Flexible solutions designed for your unique needs.

The main products are LVL/Veneered Boards / Plywood / RV Interior Boards / Artificial Boards. 100% of the products are exported. At present, the products are exported to more than 50 countries around the world, with the main markets being Japan, North America, Europe, Australia and Southeast of Asia.

Our Commitment to Win-Win Cooperation

We believe in building long-term partnerships grounded in mutual success. By combining your vision with our expertise, we create value that drives growth for both parties. Let's innovate and grow together!
