### CUSTOMER CASE

# SCENTSEA

## Corporate Vision

We aim to build human connections with the power of scent and we will keep providing professional and reliable scent solutions for clients all over the world with our expertise.

## Patents & Certifications

At the beginning of its establishment, Scentssea attached great importance to R&D investment. We firmly believe that continuous innovation is the core competitiveness of an enterprise. We obtained over 20 product patents and our nano atomization technology is already at the leading level in the industry. And all of Scentssea's products have CE, ROHS, FCC and SGS certifications.

## Cooperative Enterprise

We have been cooperating with the world's top fragrance oil companies to ensure that the oils are 100% safe and pure.

## Company Profile

Shenzhen Scentssea Technology Co., Limited is a professional scent diffuser manufacturer based in Shenzhen, China. We specialize in developing, manufacturing, marketing of various scent machines and fragrance oils. As a direct factory, we have enough experience in providing fast OEM/ODM value-added services. Till now, the scent machines from Scentssea had been installed in over 70+ countries and widely praised by our customers.

## S01 Wall Plug-in Aroma Diffuser

### PRODUCT PARAMETERS

Material: plastic  
Coverage: 100-300m<sup>3</sup>  
Capacity: 150ml  
Voltage: 110-240V  
Power: 1.5W  
Noise: <38dB  
N.W: 0.2kg  
Product size: L69\*W73.5\*H136MM  
Color: white, black  
Available plug: EU, US, UK

### PRODUCT INTRODUCTION

S01 is a wall plug-in, waterless scent diffuser designed for both home and commercial applications. It is equipped with a large 150 ml fragrance oil bottle, significantly reducing the frequency of refills. In addition, the front panel displays key information such as the day of the week, local time, temperature, and humidity for easy monitoring. The diffuser also features a smart timer, enabling users to freely adjust scenting intensity and operating schedules.

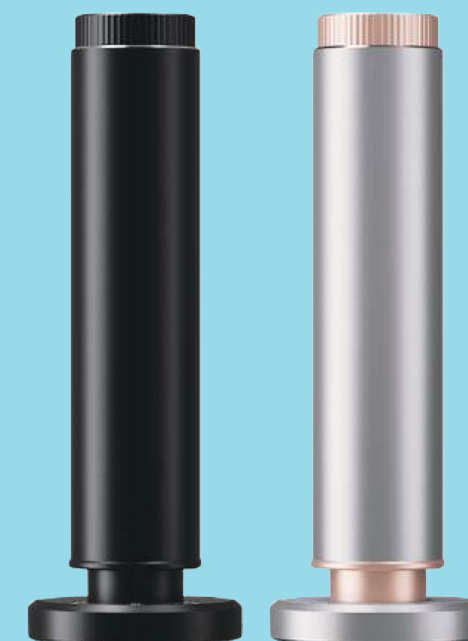

## S02 Desktop Scent Diffuser

SCENT  
MARKETING

### PRODUCT INTRODUCTION

S02 is a model designed for small area such as home, office, meeting room etc. It is made of all-aluminum alloy and looks high-end & stylish, which can be perfectly integrated with the use environment. It is very quiet when working and will not disturb people's sleep or work. In addition, it has added newest inverted leak-proof technology, so you don't have to worry about the risk of fragrance oil leakage causing damage to the machine.

## H5000 Floor-standing Tower Scent Diffuser

### PRODUCT PARAMETERS

Material: aluminum  
Coverage: 2500-4000m<sup>3</sup>  
Capacity: 1000ml  
Power supply: DC 12V  
Power: 20W  
Noise: ≤45dB  
N.W:6.3kg  
Product size: H610\*L180\*W180mm  
Color: gunmetal/silver,black,  
golden(customized)

### PRODUCT INTRODUCTION

H5000 is a floor-standing tower type scent diffuser, which is suitable for hotel lobby, shopping mall, commercial building etc. Its casing material is aluminum alloy, which looks high-end and elegant. It is equipped with smart timer with password function, which can freely set the working time and intensity. Its powerful built-in fan can spread the scent to every corner of the space quickly.

## P01 Battery Operated Scent Diffuser

### PRODUCT PARAMETERS

Material: plastic  
Coverage: 300-500m<sup>3</sup>  
Capacity: 500ml  
Power supply: 5V  
Power supply: 4 pcs D batteries or type C  
Power: 2.5W  
Noise: ≤35dB  
N.W:0.55kg  
Product size: H168\*L240\*W50mm  
Color: white, black(customized)

### PRODUCT INTRODUCTION

P01 is a perfect choice for areas such as toilet, elevator, corridor etc. When power supply is not available, the 4 pcs D batteries will keep you away from anxiety of battery life. If you are worried about expensive battery cost, it can also be powered by type C. In addition, its wall-mounted anti-theft design will also greatly reduce your maintenance costs.

## P02 Plug-in Type Scent Diffuser

### PRODUCT PARAMETERS

Material: plastic  
Coverage: 500-1000m<sup>3</sup>  
Capacity: 300ml  
Voltage: DC 12V  
Power supply mode: plug-in  
Power: 6.5W  
Noise: ≤30dB  
N.W: 0.8kg  
Product Size: L148\*W68\*H203.5MM  
Color: white, black(customized)

### PRODUCT INTRODUCTION

P02 is a commercial and home dual use scent diffuser. When you place it in your home, you can barely feel the noise when it works. When you install it in commercial places such as brand store, car 4S shop, cinema, its powerful atomization will make you feel amazing ! Especially for rental service provider, its lock design and password function of LCD display will definitely make you find it very practical.

## P03 Battery & Type C Operated Scent Diffuser

### PRODUCT PARAMETERS

Material: plastic  
Coverage: 300-500m<sup>3</sup>  
Capacity: 150mL  
Power supply: 3 pcs D batteries or Type C  
Power: 2.5W  
Noise: <35dB  
N.W: 0.35KG  
Product size: L132\*W58\*H176mm  
Color: white/black(customized)

### PRODUCT INTRODUCTION

P03 is designed for small area such as toilet, elevator, corridor etc. Its appearance is small and stylish, which can be perfectly integrated with the use environment. It can be powered with 3 pcs D batteries, and also support Type C if you think the battery cost is high or not environmentally friendly. In addition, its unique wall-mounted anti-theft design also greatly reduces the risk of product theft.

## A300 LCD Color Touch Screen Scent Diffuser

### PRODUCT PARAMETERS

Material: steel  
Coverage: 1500-2500m<sup>3</sup>  
Capacity: 500ml  
Power supply: DC 12V  
Power: 12W  
Noise: <40dB  
N.W: 3.8kg  
Product size: L231\*W105\*H271mm  
Color: white, black(customized)

### PRODUCT INTRODUCTION

A300 is mainly designed for medium area such as hotel lobby, bank, hospital etc. It adopts advanced TFT color touch screen, which makes the operation quite simple. It can work alone or connect with HVAC, and also support wall-mounted. There is a fan inside, which can greatly speed up the spread of scent. The color ambient lights make the diffuser looks more warm and stylish.

## T2 Acrylic Panel Scent Diffuser

### PRODUCT PARAMETERS

Material: Acrylic panel + steel casing  
Coverage: 1500-2500m<sup>3</sup>  
Capacity: 500ml  
Power supply: DC12V 2A  
Power: 10W  
Noise: <45dB  
N.W: 3.5kg  
Product size: L215\*W100\*H260mm  
Color: white, black(customized)

### PRODUCT INTRODUCTION

T2 is suitable for medium areas such as hotel lobby, bank, Car 4S shop, brand store etc. It can be placed flat on the ground or mounted on the wall, and can also be connected to HVAC. The visual window allows you to easily see the remaining oil capacity without taking out the bottle.

## T3 Acrylic Panel Scent Diffuser

### PRODUCT PARAMETERS

Material: Acrylic panel + steel casing  
Coverage: 3000-5000m<sup>3</sup>  
Capacity: 1000ml  
Power supply: DC12V 2A  
Power: 15W  
Noise: <55dB  
N.W: 5.3kg  
Product size: L250\*W125\*H300mm  
Color: white, black(customized)

### PRODUCT INTRODUCTION

T3 is a perfect choice for large spaces such as hotel lobby, shopping mall, commercial building etc. The atomization is super powerful but the size is smaller than competitors of the same level, which can save shipping cost for you. Its working performance is stable, no need to worry about any after-sales problems.

## AC-MAX Split Type HVAC Scent Diffuser

### PRODUCT PARAMETERS

Material: Aluminum body + plastic bottle  
Coverage: 8000-10000m<sup>3</sup>  
Capacity: 5L  
Rated voltage: DC12V  
Power: 48W  
Noise: ≤40dB  
Product Type: Split  
N.W: 4.2KG  
Product size: L160\*W200\*H160mm  
Packing size: 330\*320\*210mm

### PRODUCT INTRODUCTION

AC-MAX is a split type scent diffuser designed for HVAC. It is suitable for large spaces such as hotel lobby, shopping mall, airport etc. Its casing is made of aluminum alloy and equipped with 5L large bottle, which can reduce your maintenance cost greatly. Both the machine and the bottle are equipped with mounting brackets, which are very convenient and practical for you to install on site.
