

Zhuhai Star Canopy is a multi-material manufacturing facility based in Zhuhai, China, built for Western companies that demand quality, responsiveness, and a fluent point of contact. French-owned and managed, we combine the industrial efficiency of the Greater Bay Area (Guangdong) with the quality standards expected by European and North American markets.

Hardware

Metal parts, mechanical assemblies, custom components

Sewn goods & technical textiles

Soft goods, covers, bags, outdoor and sports equipment

Inflatables

Advertising structures, promotional products, sports and event equipment

Why work with Star Canopy?

- ✓ French & English-speaking management – no communication barrier
- ✓ Multi-material capability under one roof – fewer suppliers, tighter control
- ✓ Strict quality oversight aligned with Western buyer expectations
- ✓ Located in Zhuhai – direct access to the Guangdong industrial ecosystem
- ✓ Long-term manufacturing partner, not just a subcontractor

We work with Sourcing Managers, Product Managers, and Procurement Directors in sports, retail, events, and industrial sectors.
