COMPANY PROFILE

Qingdao Top Run International Trade Co.,Ltd, as a professional construction machinery spare parts supplier, is located at the beautiful coastal city of Qingdao. Starting from a humble spare parts store from year 2004, we mainly focus on China domestic market spare parts sale and machinery maintenance at the very beginning. After years' development, we have focused our core business on exportation of China brand construction machine spare parts. Our business areas cover Africa, Latin America, Mid-east, Russia, Middle & South east Asia etc. In advantage of the convenient transportation, we could supply all kinds of Chinese brand construction machinery spare parts .

Our team is mainly composed by a young and vigorous group born in year 1980s and 1990s. We earn customers depending on professional service, honesty, sincerity and promptness.

Nowadays, Chinese brand machines are more and more accepted by the world, especially in developing areas. It has been playing an important role for their infrastructure construction. Because of this boosting machinery demand, spare parts service also becomes a vital factor to ensure machines' well-running. Our customer group both contains machine end users and spare parts dealers. Even the customer needs a tiny bolt, we can also provide suitable service.

In order to ensure quickness of shipment, we stock plenty of easy broken parts all the time. The delivery mode is also flexible by DHL, UPS, FEDEX, air transportation or sea shipment, which can be catered for different customers' requirements. Our dealing brands cover XCMG, SHANTUI, LIUGONG, FOTON, SHACMAN, SINOTRUK, FASTGEAR, ADVANCE GEARBOX, WEICHAI, SHANGCHAI, YUCHAI etc. Welcome to contact with us.
