02

Solution & Quotation

Our team provides tailored product solutions and detailed quotations.

03

Sample Confirmation

Custom samples are available to confirm craftsmanship, appearance and packaging details.

04

Production & QC

Standard mass production with full quality inspection to ensure qualified products.

05

Global Delivery

We provide sea freight, air freight and DDP door-to-door delivery services.

CANNABIS PACKAGING FAQ

大麻包装常见问题解答

Find answers to the most common questions about cannabis packaging. If you need more information, our team is here to help.

ABOUT CANNABIS PACKAGING

关于大麻包装

- 01 Why is specialized packaging important for cannabis products?**
Proper cannabis packaging ensures product safety, maintains freshness, protects potency, and helps your brand stand out while staying compliant with regulations.
- 02 Can I customize my cannabis packaging?**
Yes, we offer full customization including size, material, printing, color, finish, and structure to meet your brand requirements.
- 03 What materials do you use for packaging?**
We use a wide range of materials including mylar, kraft paper, aluminum foil, PET, recyclable plastics, and eco-friendly biodegradable materials.

COMPLIANCE & QUALITY

合规与品质

- 04 Are your packaging solutions compliant with regulations?**
Yes, our packaging is designed to meet different regional compliance requirements including USA, Canada, and EU standards.
- 05 Do you offer eco-friendly packaging options?**
Yes, we provide biodegradable, compostable, and recyclable packaging solutions to support sustainable development.
- 06 What industries do you serve?**
We mainly serve cannabis, food, snack, beverage, and general retail packaging industries, offering customized solutions for each sector.

ORDERS & CUSTOMIZATION

订单与定制

- 07 What is your minimum order quantity (MOQ)?**
MOQ depends on product type and customization requirements. We support flexible MOQ for different business needs.
- 08 How long does production take?**
Standard production time is usually 15-25 days after sample approval. Urgent orders can be arranged upon request.
- 09 Do you provide samples?**
Yes, we can provide stock samples for free. Custom samples may require a sampling fee, which can be refunded upon bulk order.
- 10 Can you print my brand logo on the packaging?**
Yes, we support full branding customization including logo printing, embossing, UV printing, and other advanced techniques.

SHIPPING & PAYMENT

物流与付款

- 11 What are your shipping options?**
We offer global shipping via sea, air, and express (DHL, FedEx, UPS) depending on your budget and timeline.
- 12 What payment methods do you accept?**
We accept T/T, PayPal, Western Union, and other secure international payment methods.
- 13 Do you ship internationally?**
Yes, we ship worldwide and ensure safe and efficient delivery to most countries and regions.
- 14 Can you help with customs clearance?**
Yes, we provide necessary export documents and support to ensure smooth customs clearance.

STILL HAVE QUESTIONS? 还有问题?

Our team is ready to help you find the perfect packaging solution for your cannabis products.

我们的团队随时为您提供帮助，找到最适合您产品的包装解决方案。

CERTIFICATIONS & COMPLIANCE

国际认证与合规保障

We are certified by SGS and comply with international quality and safety standards to ensure reliable and consistent product performance.

我们通过SGS国际认证，严格遵循全球质量与安全标准，确保产品稳定可靠。
