PART 01

Introduction of Yawanhong

www.yawanhong.vn

Vietnam Yawanhong Printing package Group

Facility

A state- of- the- art toy manufacturing hub under construction, completed in May 2025.

The facility spans 60,000 sqm with six specialized factories.

Factory Breakdown

Building 1 (15,000 sqm, 280 employees) will produce tabletop game cards, magnetic tiles, etc.

Building 2 (10,000 sqm, 180 employees) will focus on books and spiral- bound notebooks.

Building 3 (5,000 sqm, 80 employees) will handle books, hardcover books, and albums.

Building 4 (5,000 sqm, 150 employees) will specialize in plush toys and handmade assembly.

Building 5 (15,000 sqm, 800 employees) will produce plastic and electronic toys.

Building 6 (10,000 sqm, 200 employees) will focus on wooden toys and MDF products.

Equipment and Expansion

By May 2025, 8 printing presses, 30 injection molding machines, and 200 auxiliary equipment pieces have been installed.

Further investments in 2026 will include additional printing presses and injection molding machines.

Vietnam Yawanhong Cultural Printing Co., Ltd.

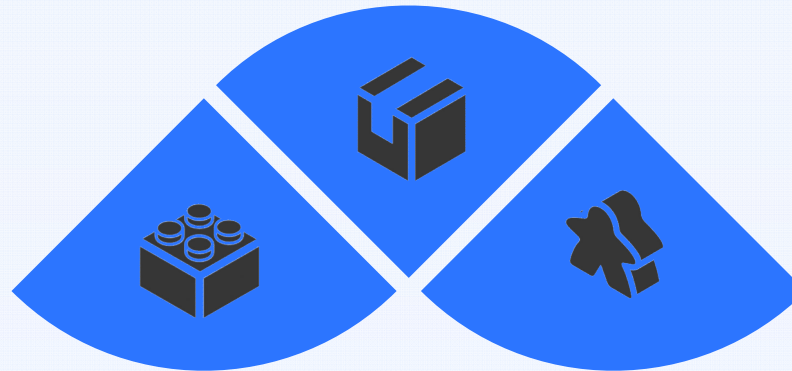

Operational Details

Established in 2025 with 200 employees and a 60,000 sqm factory.

It's strategic location near **Haiphong Port** facilitates seamless exports.

Diverse Product Portfolio

PART **05**

Our Advantages

Why choose us? Four Commitments to Localization in Vietnam

- **Fast Delivery:** Local production ensures response and delivery times far exceed cross-border procurement.

- **Cost Optimization:** Local supply chain and lean production management offer you the most competitive pricing.

- **Flexible Cooperation:** Support for small to medium batch orders, adaptable to your production schedule and urgent needs.

- **Seamless Communication:** Direct liaison by a Vietnamese team eliminates language barriers and communication errors.
