

公司介绍 COMPANY INTRODUCTION

江苏聚铭化工科技有限公司成立于2017年11月,位于江苏省,是一家集研发、生产、销售、服务于一体的企业。聚铭人凭借雄厚的技术力量,持续的投入人才的培育,新品的开发,同时配备专业的化验设备,保证了产品的高质量、品种的多样化和生产的规模化。产品畅销全国各地,同时大量出口国外市场,公司通过了ISO9001质量体系认证;公司重信用、守合同、保证产品质量,以多品种经营特色和薄利多销的原则,赢得了客户的信任。

现阶段主要从事精细化工品的销售与研发,光引发剂、紫外线吸收剂、水处理缓蚀剂、有机中间体、腈类及腈类衍生物、有机合成特殊化学品、电子化学品及加工定制化学品。

近年来,公司用发展的眼光来审视当前世界和国内的经济市场,用科学发展观来发展企业,坚持以人为本,随着技术的持续进步和市场需求的演变,针对不同领域精细化工产品的应用范围预计将进一步拓展。公司以现有产品和市场为中心,根据客户的需求,致力于向上下游延伸拓展,实现产品的专业化和多样化。我们的使命:让天下没有难做的化工!聚铭人欢迎国内外友人莅临指导!

Jiangsu Juming Chemical Technology Co., Ltd. was established in November 2017, located in Jiangsu Province. It is an enterprise integrating research and development, production, sales and service. Juming rely on his strong technical capabilities, continuously invest in talent cultivation and new product development, also equipped with professional laboratory equipment, ensure the high quality, variety diversity and large-scale production of products. The products are sold all over the country and are also exported to foreign markets in large quantities. The company has passed the ISO9001 quality system certification. The company values credibility and contracts, guarantees product quality, and adopts the principle of diversified products and small profit, large sales to gain the trust of customers.

Currently, it mainly engages in the sales and research and development of fine chemical products, such as initiators, ultraviolet absorbers, water treatment corrosion inhibitors, organic intermediates, hydrazines and their derivatives, special chemical products for organic synthesis, electronic chemicals and customized chemicals, and pesticide products.

In recent years, the company has viewed the current world and domestic economic markets with a developmental perspective, developed the enterprise with the scientific development concept, adhered to people-oriented principles, and with the continuous progress of technology and the evolution of market demands, the application scope of different fields and fine chemical products is expected to be further expanded. Centered on the existing products and market, according to the needs of customers, the company is committed to extending to the upstream and downstream to achieve specialization and diversification of products. Our mission: Make no chemical products difficult to do in the world! Juming welcome friends from home and abroad to visit and guide!
