

About Us

Home - About Us - About Us

We are located in the " City of Silk" – Shengze, Jiangsu, which location is about one and a half hours from Shanghai. We have own dyeing factory, printing mill and bounding equipment etc. Our main products are 100% polyester fabrics, fit for sofa, curtain and other decorations like home, hotel or restaurant.

Now we are a small company but want to be a leading international player.

We owe this growth to our passion for what we do. Flexibility and functionality are our pillars.

Company Aim:

- Quality is key at all levels.
- We strive to introduce our products onto the market at a fair price.
- In all our collections, you will find an identity which is proper to us, not only in terms of design but also in terms of quality and colors.
- Fit for any upholsterly products: Sofa, window decoration, curtains, aiming to inspire and enthuse customers.
