XINFLYING

Reliable & Professional Printing Machines & Consumables Supplier Since 2010

XINFLYING

Guangzhou Xin Flying Digital Technology Co., Ltd, established in 2010, is a National High-Tech Enterprise specializing in the R&D, production, and service solutions for digital textile printing machines.

We offer a comprehensive range of products, including DTF Printers, UV DTF Printers, Sublimation Printers, Roll-to-Roll Heat Transfer Machines, and related consumables. Known for their superior performance and reliability, our products have earned a strong reputation across global markets.

50+ Distributors | 8 Overseas warehouse

With distributors in over 50 countries across North & South America, Europe, Asia, the Middle East, and Africa, XINFLYING has built a growing international presence.

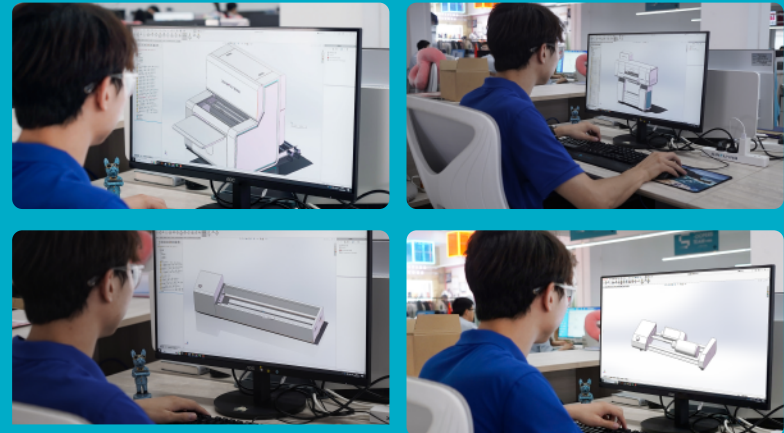

Our goal is to help you succeed by offering competitive pricing, technical support, marketing assistance, and timely logistics. With XINFLYING as your partner, you gain access to high-quality products and a brand dedicated to mutual growth.

We look forward to discussing how we can work together to unlock new business opportunities in your region.

Our Honor

We are committed to excellence and innovation, as evidenced by our prestigious recognitions including “Enterprise Credit Evaluation: AAA” , “China’ s Best-selling Brand” and “China’ s Most Influential Brand of Independent Innovation” .

Our products meet strict international standards, certified with 3C and CE markings, and feature patented technologies, including Utility Model and Design Patents.

High Quality Product

To ensure the highest standards, we maintain a dedicated quality inspection team of 20 professionals who rigorously assess all products prior to delivery.

Professional Service

Our team includes professional engineers who provide 24*7 online after-sales support, ensuring timely assistance whenever needed. In addition, we offer localized after-sales services, including on-site maintenance and installation by skilled technicians, to better meet your needs.

Localized After-sales Services

24 Hours Online After-sales Support

On-site Repair

Overseas Warehouse

To better serve local markets, we have established warehouses in the United States, Brazil, and Mexico, ensuring fast and efficient delivery to our customers. We currently operate 8 warehouses worldwide totaling approximately **36,440 square meters**.

Our Exhibitions

As part of our ongoing growth strategy, we are actively seeking reliable partners to develop long-term cooperation worldwide. We attend over 10 exhibitions annually, reinforcing our commitment to expanding our global market and looking for partners.
