ABOUT US

Ningxia Senqi Food Co., Ltd. is an enterprise specializing in agricultural and sideline products, the main products are hemp products, goji berry products and buckwheat products. Now, Senqi Food has two factories, one sales center and two planting farms. Until now, Senqi products have been exported to more than 20 countries and regions.

From the day of founding, our team adheres to the business philosophy of "high quality, excellent service". We guarantee the stability of supply chain through our own order farming system, continuous order efficiency improvement and professional after-sales team, to protect the rights and interests of customers. We will always spare no effort to bring qualified and stable product and service to all clients.

Senqi has been certificated by authoritative international organizations including EU organic, USDA, BRC, Kosher and Hahal .

Stay hungry, stay foolish, Senqi will keep learning and improving to be a better supplier and better partner for all customers.
