About us

- Wuxi mingyu garment factory was founded in 2004. Our factory specializes in the production of PVC/PET collar bands, collar stays, collar butterflies , shirt cardboard, moisture-proof paper, plastic clips, plastic packaging bags and other garment accessories.
- Our factory has a series of modern production equipments such as: advanced automatic creasing machine, punching machine and Automatic cardboard/collar stay die cutting machine and other modern production equipments, which can guarantee certain production&supply capacity ability. Our products are of high quality and are exported to Europe, America, Japan, South Korea, Bangladesh and over the world. Our factory always adheres to the development idea concept of quality first.
- So far we set up distribution warehouses,agencies or manufacture factory in Srilanka, Argentina, Bangladesh,Indonesia,Colombia, Kenya. Relying on the high-tech production equipment, constantly approaching the modern international production enterprises of auxiliary material , thus ensuring that we are always maintaining the leadership of industry. Meanwhile we established Sri Lanka factory in 2013 and Vietnam factory in 2017. In 2018, the enterprise set up OA system to step into modern formal management.
- Welcome to the world wide customers with a smile, integrity in the heart. The Enterprise always with the best products and services to meet every sincere customer!

Company History & Milestones

Mingyu established its own English independent website and opened the Alibaba international station, began more than a decade of overseas business development and expansion, and at the same time build and train a highly efficient, high cohesion, high implementation, high customer satisfaction at home and abroad marketing team to docking domestic and foreign business.

The introduction of advanced enterprise management system, make the work more efficient, the interface between the departments more smoothly, greatly improve the efficiency of the work, enhance the production and supply capacity.

2004

Enterprise Layout of Vietnam Factory:

**– Axis Garment Accessories
Company Limited.**

In order to adapt to the flood of the times, as well as to seize the first opportunity of the shift of the garment manufacturing industry, the Vietnam factory came into being in 2017, in addition to the production of collar bands, collar butterflies, shirt cardboard and other traditional shirt accessories packaging, the Vietnam factory also has its own matching plastic bag packaging factory.

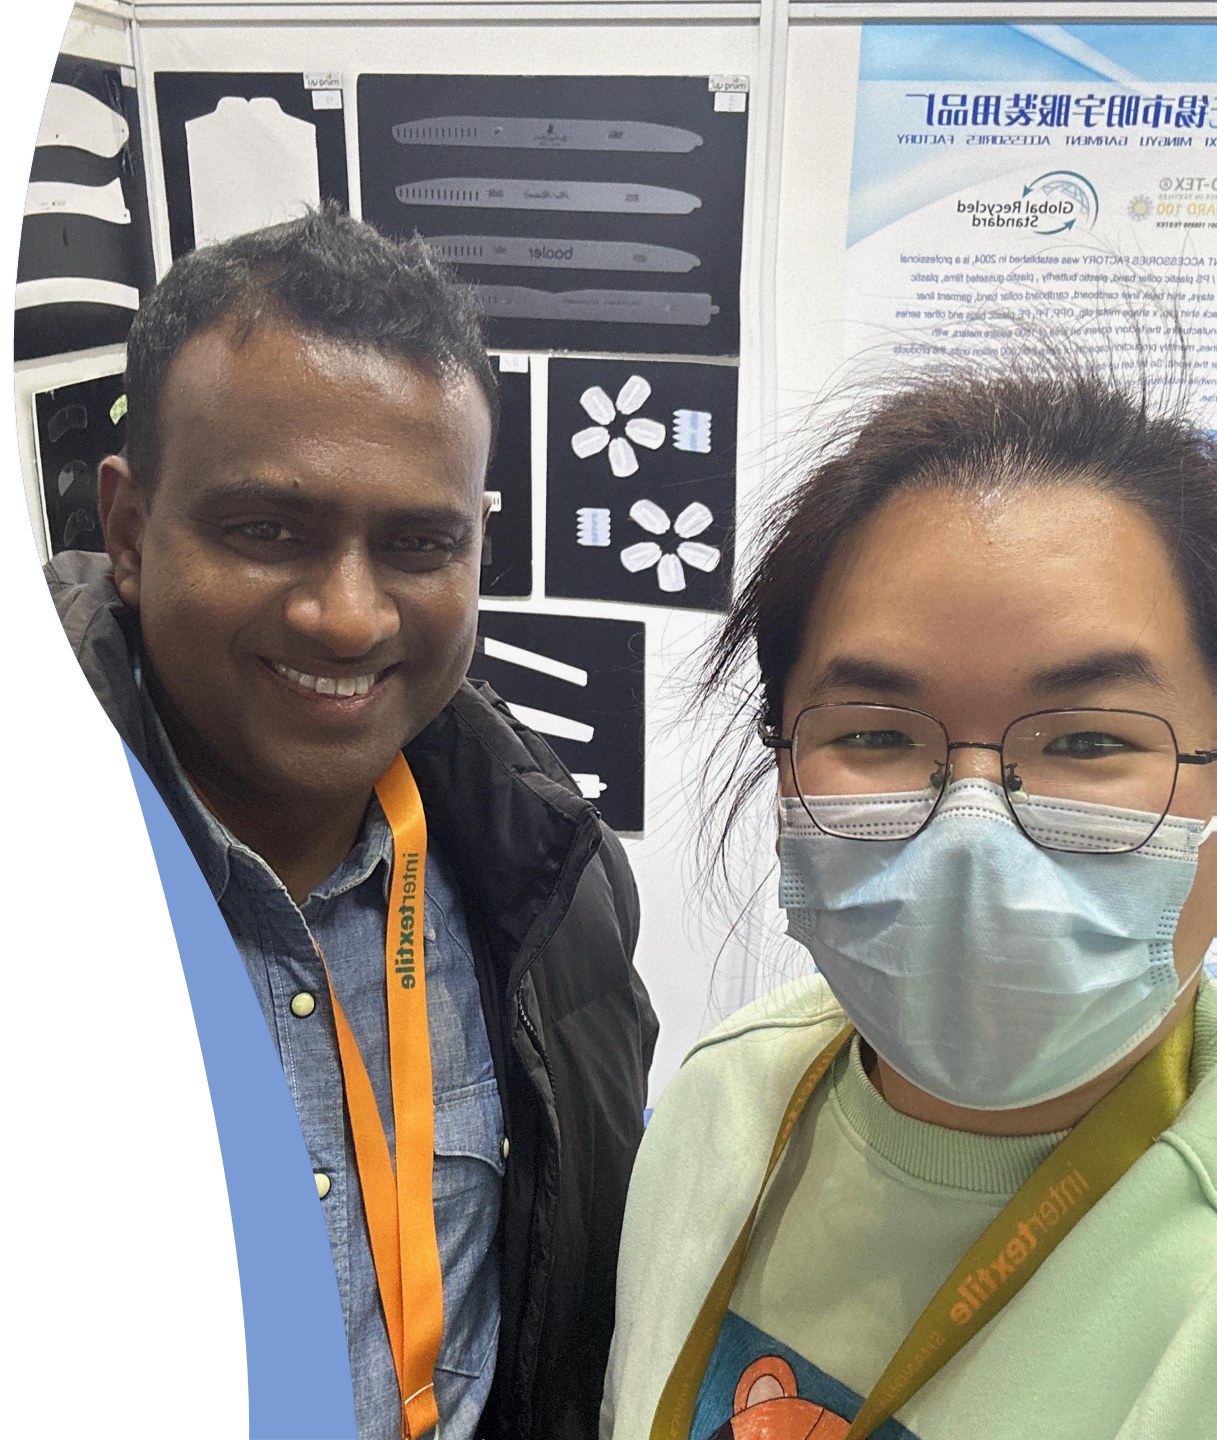

Enterprise layout- Kenya carton factory

In 2023, Mingyu ushered in a milestone enterprise turning point - to follow the footsteps of Levi's and other internationally renowned clothing giants, invested in the construction of the cardboard factory in Kenya, Africa - PROMAX ACCENTURE EPZ LIMITED, is the largest Mingyu so far, and invested the most effort in overseas factories!

PROMAX ACCENTURE EPZ LIMITED is located in Mombasa, the second largest city in Kenya. In addition to the production of cartons, it also produces wash labels, hang tags, screen prints and some other printed materials, which radiates and serves a number of garment manufacturing giants around Mombasa.
