

漳州般若进出口有限公司

Zhangzhou Banruo Import & Export Co., Ltd

COMPANY PROFILE

KinoFarm is located in Zhangzhou City, Fujian Province, China, one of the most famous flowers and plants town, about 70 kms west to Xiamen International airport and seaport. It was established in 2005, it is an agricultural science and technology-based professional private enterprise integrating the planting, processing, sales, new varieties breeding, market service and industrialization promotion of indoor and outdoor plants.

As one of the most professional and biggest farm in Zhangzhou City, we have more than 100 employees, more than 200,000 square meters of planting area, including 60,000 square meters of modern intelligent greenhouses, 15,000 square meters of flower steel frame greenhouses and 30,000 square meters of cultivation greenhouses, our greenhouse are registered in CIQ China, following the MPS-A management systems and have been constructed strictly abided by the top quality of CIQ China. The plants before shipped grow on the shelves 50cm above ground in the facility equipped with 1.6*1.6 meshes.

As a grower and exporter, the main plant we export are including indoor plant, ficus ginseng, pachira, sansevieria, lucky bamboo, Nolina, spathiphyllum, cactus, succulent, tissue culture, -seedling etc. and outdoor plant cycas, big ficus microcarpa, bougainvillea, camellia, landscaping tree etc. for the market of Oceania, America, Europe, Africa, Southeast Asia and the middle east etc.

With high credit standing, best quality products and service system and the competitive price policy, we KinoFarm sincerely look forward to establishing a stable long term strategic business relationship with you.

Hui Liangyu (former vice premier) and Sun Chunlan (vice premier) highly value the development of China's flower industry.

Our team and family

COMPANY HONORS

Leading forestry industrialization enterprise in Fujian Province.

Leading agricultural industrialization enterprise in Zhangzhou City
