ONE-STOP SERVICE FOR MERCHANTS

SENIOR TEAM

Our expert quality control team comprises seasoned professionals with extensive experience in the hygiene industry. They conduct in-depth market research and competitive analysis to ensure your products stand out in the market.

CUSTOM RESEARCH & DEVELOPMENT

New Upward boasts an independent R&D system, supported by a **CNAS-certified international standard laboratory**. Guided by the principles of **customer-first service, technological excellence, and innovative R&D**, we develop customized formulations tailored to your specific needs—all under strict quality control.

PACKAGE DESIGN

Our professional visual design team combines **rich experience and strong creativity** to craft unique, market-ready packaging that aligns perfectly with your product positioning.

MANUFACTURING

Equipped with **fully automated production lines** and modern facilities operating 24/7, we meet large-scale production demands while ensuring a stable and reliable supply chain.

END-TO-END QUALITY CONTROL

We implement **food-grade quality standards**, rigorous supplier management, and full traceability of materials to guarantee **risk-controlled processes** and consistent product excellence.

OEM/ODM

MUGWORT HERBAL SANITARY NAPKINS

- **Infused with Mugwort:** Formulated with mugwort extract, traditionally believed to promote comfort and help soothe discomfort.
- **Targeted Comfort:** Helps alleviate menstrual cramps, vaginal discomfort, and general period unease.
- **Freshness Support:** Helps fight bacteria, reduce irritation, and neutralize odors.
- **Superior Absorption:** Features a high-absorption core that quickly locks away menstrual flow, keeping you feeling safe and dry.

CLOUD SENSE TAXUS CHINENSIS SANITARY NAPKINS

- **Soft Cloud Sense Surface:** Dual-layer cloud-textured topsheet delivers exceptional softness, skin-friendly comfort, and breath-ability.
- **Botanical Care Blend:** Infused with Taxus chinensis extract – an eco-friendly plant-based material offering natural moisture absorption and freshness.
- **Rapid Dry Core:** Advanced material quickly wicks away moisture, maintaining a dry, comfortable feel to prevent dampness.
- **Superior Absorption:** Features a high-absorption core that quickly locks away menstrual flow, keeping you feeling safe and dry.
- **Freshness Protection:** Helps inhibit bacterial growth, neutralize odors, and support a balanced intimate environment for healthier comfort.

OEM/ODM

CALENDULA CARE SANITARY NAPKINS

- **Natural Freshness Protection:** Infused with calendula extract to help inhibit bacterial growth and neutralize odors, while providing antioxidant support.
- **Intimate Environment Support:** Maintains a mild acidic environment to support the natural balance of the intimate area's ecosystem.
- **Micro-Encapsulated Efficacy:** Patented microcapsule technology provides time-released calendula benefits for lasting freshness and comfort.

COOL FEELING FRESH SANITARY NAPKINS

- **Natural Cooling Sensation:** Infused with peppermint extract for a gentle, refreshing coolness - especially comforting in warm weather.
- **Rapid Absorption & Dryness:** Quick-dry core locks away moisture instantly, keeping you dry and comfortable for hours.
- **Breathable Comfort:** Ultra-breathable backing prevents humidity buildup, eliminating stuffiness.
- **Odor Neutralization:** Helps neutralize odors naturally with botanical freshness.

OEM/ODM

V-SHAPE COMFORT SANITARY NAPKINS

- **Perfect Curved Fit:** Soft cotton core shaped to follow your body's natural lines – stays securely in place.
- **Quick-Dry Confidence:** Special channels pull moisture away fast, keeping skin dry.
- **Cloud-Like Softness:** Gentle on skin, reduces irritation for all-day comfort.
- **Breathable & Light:** Thin but protective, letting skin breathe freely.

3D COMFORTFIT SANITARY NAPKINS

- **Suspended Core Technology:** Floating absorption core moves with your body; Wing separation design reduces thigh friction.
- **360° LeakGuard Protection:** 3D side barriers prevent leakage in all positions, Stays securely in place during activity.
- **Moves With You:** Core adjusts to your body shape, staying comfortable during walks, workouts, and sleep.

OEM/ODM

ULTRA-THIN BAMBOO FIBER SANITARY NAPKINS

- **Soft and Safe:** Made with 100% bamboo fiber, as gentle as cotton, perfect for sensitive skin, naturally sustainable.
- **Natural Freshness Complex:** Bamboo leaf extract helps maintain freshness, Neutralizes odors without harsh chemicals.
- **Breathable & Dry:** Micro-ventilated backing allows airflow, Reduces dampness for all-day comfort.
- **Ultra-Thin & Invisible:** Only 0.1cm thick, it disappears under your clothes, even in tight-fitting wear.

BLACK BAMBOO CHARCOAL SANITARY NAPKINS

- **Halal-Certified & Discreet Design :** All-black surface masks menstrual fluid, making cleanup easier and reducing visual discomfort.
- **Natural Odor Control:** Bamboo charcoal in the top layer helps absorb odors, even during extended wear.
- **Gentle Protection:** Soft, absorbent core prevents leaks while being kind to sensitive skin.
- **Breathable Comfort:** Reduces dampness to minimize irritation and allergic reactions.

OEM/ODM

ORGANIC COTTON BIODEGRADABLE SANITARY NAPKINS

- **100% GOTS-certified organic cotton top layer,** free from pesticides & synthetic chemicals.
- **Dermatologist-Validated Safety:** Clinically tested hypoallergenic materials, 0 harmful residues (Meet OEKO-TEX® Standard 100).
- **Biodegradable Responsibility:** Breaks down faster than conventional pads in industrial composting facilities.

BIODEGRADABLE ECO-FRIENDLY PLA SANITARY NAPKINS

- **Corn Starch & PLA Top Layer:** Made from renewable corn materials that break down more easily than regular plastics.
- **Light & Secure Fit:** Thin winged design that moves with you, helping keep you dry.
- **Compostable Materials:** Pad and wrapper can break down in special composting facilities.
- **Skin-Friendly Comfort:** Gentle materials without added fragrances or harsh chemicals.

OEM/ODM

BIODEGRADABLE NATURAL HEMP SANITARY NAPKINS

- **Hemp Top Layer:** Naturally breathable plant fibers help maintain freshness and comfort.
- **Eco-Conscious Design:** with biodegradable back sheet and wrapper, Breaks down efficiently in composting facilities, gentle on our planet.
- **Cloud-Like Comfort:** Soft, flexible material that moves with your body.

PERIOD UNDERWEAR / MENSTRUAL PANTS

- **Thoughtful Design Features & Body-Adaptive Fit:** Ergonomic 0-shaped cut moves with your body, providing secure coverage during sleep and activity.
- **Gentle Waist Comfort:** Soft, stretchy waistband sits comfortably without digging in.
- **Smooth & Seamless:** Ultrasonic welding creates no-rub seams - no visible lines under clothing.
- **Breathable Freshness:** Moisture-wicking base layer keeps you cool and dry all day.

BABY DIAPERS & PANTS

- **Ultra-Light & Slim Design**

Featherlight construction minimizes bulk for unrestricted movement, allowing clothing to fit naturally over the diaper.

- **Silky-Soft Surface Layer**

Skin-friendly, breathable fabric with silky texture gently cradles every inch of baby's delicate skin.

- **Advanced Absorption Core**

Powerful SAP polymer locks away moisture instantly, prevents leaks and clumping for 12-hour comfort.

- **Adjustable Fit System**

Stretchable waistband with repositionable hook-and-loop tabs ensures customized comfort for all body types.

- **Dual LeakGuard Barriers**

Double-layer protection maintains dryness during active play and overnight sleep.
