Company Profile

HERYNN is a Chinese fragrance and flavor manufacturer with 20+ years of expertise. Backed by over 100 technical patents and IFRA / EU REACH compliance, we combine raw-material R&D, application laboratories and in-house production in Shanghai and Guangzhou to develop distinctive functional fragrance concentrates and tailor-made formulations. We serve 800+ brands across 50+ countries in fine fragrance, reed diffusers, diffuser machines, car fragrance, candles, personal care, home care, oral care and tobacco.
