# 03

## Production & Inspection Equipment

# Advanced Production Equipment

## Technology

Cold sealing coating, reverse printing, viscosity control

## Performance

Speed up to 350m/min, width up to 1260mm

## Advantages

High-fidelity colors, eco-friendly, high-precision, security printing

# Advanced Production Equipment

## Ensuring Industry-Leading Quality

# Superior Production Environment

## GMP Class 100,000 Cleanroom

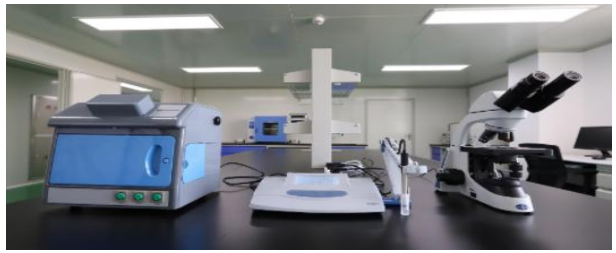

### State-of-the-Art Facility

Our workshop meets the national GMP Class 100,000 cleanroom standard, ensuring the safety and hygiene of food and pharmaceutical packaging.

# Professional Inspection Equipment

## Ensuring Industry-Leading Quality

*Our Quality Control Center is fully equipped with state-of-the-art testing instruments to ensure every product meets the highest industry standards.*

### Water Vapor & Oxygen Transmission Tester

*Precisely measures the barrier properties of materials, a key differentiator that ensures our packaging solutions outperform competitors.*

### Comprehensive Testing Suite

*Includes Gas Chromatograph, UV Analyzer, High-Resolution Microscope, and Aluminum Foil Bursting Strength Tester for full coverage.*

# 04 Our Products

Specialized Flexible Packaging Solutions

# Boiling & Retort Packaging

## Boiling Packaging

For pasteurization at 100°C. Ideal for noodles, fruits, vegetables.

## Retort Packaging

For sterilization at 121–135°C. High barrier, puncture resistant.

# Printed Flexible Film Rolls

# 05 Core Advantages

## What Sets Us Apart

### Superior Production Environment

GMP Class 100,000 cleanroom ensures product safety and hygiene.

### World-Class Equipment

Investment in top-tier machinery guarantees high efficiency and superior quality.

### Stringent Quality Control

Advanced QC center with specialized testing ensures product excellence.

### Certified Quality Management

ISO 9001:2015 certification reflects our commitment to consistent quality.

### Expertise in Specialized Packaging

Proven capability in manufacturing high-performance boiling, retort packaging, as well as printed flexible film rolls.

# 06 Partners & Future Outlook

## Building Trust and Mutual Growth

### Trust & Reliability

### Mutual Growth

Aligning business objectives to create value together and scale new opportunities in the market.

### Sustainable Future

Committing to eco-friendly practices and ethical operations for a resilient and green tomorrow.

# Our Vision

## Your Most Trusted Partner in Flexible Packaging

We aim to be your most trusted packaging partner, providing innovative and reliable solutions for the food and pharmaceutical industries.

# Thank You

Dalian Tianbao Color Printing Co., Ltd.
