QUALITY CUSTOM FIXTURES
FOR YOUR DISPLAY.

WHO WE ARE

R&D center based in Xiamen and main production based in Zhangzhou, Qunyi Group specializes in design, manufacturing and commerce of storage racks, store fixtures and other facilities, for plants of 300,000 square feet supplied with extensive automation technologies. Xiamen sample room allows clients to have a generic concept on our product types. Our well-equipped factories ensure prototyping with us is accessible and proficient. Our effective internal communications among departments of sales, merchandising, R&D, purchasing, finance and human resources facilitate projects to success. Certified by ISO, BSCI and FSC, we partner with global brands involving retailers, home furnishings, apparel, food, pharmaceuticals, cosmetics, electronics, sports, outdoor etc.. Our products have been distributed to different countries and regions in Oceania, Americas, Europe, Middle East, Africa etc. and the number grows.

HOW WE DEVELOP

In 1994, the founder Darren Huang embarked on business path in the field of display fixtures. After 30 years in the same field, Darren can lead Qunyi into a new chapter with a comprehensive background and experience. Since 2005 we have been engaged in domestic fixture market in Xiamen, China. The year of 2012 is when Qunyi turned to exporting. In 2019, we increased the metal production capacity and launched new lines for wood fixtures. Currently Qunyi is backed by a team of 240, including 5 R&D professionals and has built a fine reputation in the fixture industry through a decade of endeavors.

From design to engineering, prototyping to production, Qunyi offers integrated solutions in fixtures of metal, wood, glass, acrylic etc. containing display shelves, supermarket shelves, cashier counters, promotion counters, pegs, shopping carts, shopping baskets, furthermore, heavy-duty racks, middle-duty racks, drive-in racks, cantilever racks, wooden and metal plates, etc..
