

QINGDAO YOKID FOODS CO.,LTD.
AGRI-KING (QINGDAO) INDUSTRIAL CO., LTD.

Introduction

Qingdao Yokid Foods Co., Ltd. is a professional supplier of IQF fruits, vegetables, mushrooms and French fries from China, mainly to Europe, East Asia, South East Asia, Australia and North America markets.

We focus on product quality. We have professional QC team taking charge of quality control and production management in order to provide qualified products for customers, from raw material plantation and pesticide control, to the whole food processing control system, in all links to goods delivery.

We promise the stable supply. From the beginning we provide the product knowledge and market information to add value for customers' procurement process. We take care the orders, processing according to the requirements and managing well the inventory, logistic services for customers.

We try our best to make competitive price. Price is not all but price is important, we know it clearly. Every steps we control the cost to our utmost. Never to make the lowest price on the market but the highest cost-effective price.

"Safe Quality, Stable Supply, Competitive Price", we always remember!
