About us / 关于我们

Since its establishment in 2004, Brilliance MAHK Trading (B.M.T) has endeavored to be globally recognized as a leading and constantly growing force in the steel industry. We are neither owned by nor do we own any steel producers. Our independence from steel producers ensures that we are objective in matching customer needs in terms of quality, specifications, financial terms and delivery requirements.

We provide an elegant solution suite for the sourcing of metal and non-ferrous products. Cooperating with Brilliance MAHK means that your demands and requirements will be analyzed meticulously. As a consequence, you will be provided with exactly the products you have been looking for - wherever you are in the world. But our clients can expect much more than this. Thanks to in-depth product knowledge and market insight, logistics expertise, marketing and financial support as well as our excellent social network in the industry, we can provide our clients with a wholistic service package. The Brilliance MAHK Group connects steel, people and processes from a client-oriented perspective. Our many years of industry experience combined with our professional team enable us to offer the highest standard of import & export services.

柏励迈肯自 2004 年在上海成立之日起，就致力于成为具有世界认识度，在钢材贸易行业中具有领导力和持续不断成长的新鲜力量。柏励迈肯不仅仅只是从事对金属类和非含铁类货物的贸易交易，我们同时也为您提供您所寻找的最好产品以满足你的需求。

无论你来自世界的哪里，我们都将以我们的专业知识，敏锐的市场预测，专业的物流团队，销售支持，金融服务以及全球化的社会商业关系网络，帮助您成为在世界贸易领域中的优质力量。我们将钢材、员工以及进程联系在一起，以实现客户要求为导向同时担当起我们的企业社会责任。我们富有经验及奉献意识的员工将以最好的服务为您在进出口贸易中提供最优质的服务。

What we do / 我们是做什么的

Brilliance MAHK operates as an importer of raw material like iron ore, chrome ore and non-metal scrap and as an exporter of long steel products, flat steel products and semi-products. Our products are used in the vertical industry: Home Appliance, Construction, Heavy Machinery, Automotive, Utilities, Shipbuilding, Windpower, Oil and Gas etc.

我们负责对于原材料的进口，如：铁矿石、铬矿砂及非金属废料的购买。我们负责对于长材，扁平材和半成品钢材的出口业务。最终产品的纵向应用领域：家用电器，建筑施工，重工业，自动化行业，公共事业设备，造船业及风能产业等。

Our Products / 我们的产品

Brilliance MAHK supplies a wide range of steel and non-ferrous products. These include raw materials, metal and non-ferrous scrap, semi-finished and finished products and non-ferrous products. Our products are used in the vertical industry, covering various sectors from automotive to construction. A key benefit for our customers is our specialization in sourcing low-priced yet high-quality steel products. By following this sourcing strategy, we can easily accommodate other quality, availability or price specifications. Please refer to our product catalog on the following pages or contact us directly.

柏励迈肯是大范围的钢铁和有色金属制品供应及销售商。其中包括原材料、无金属废料、,钢铁半成品和成品及有色金属产品。我们的产品大多用于从汽车到建筑业,生产者、多处理公司在市场中的地位。我们客户将获得最大的好处是以我们专业化团队提供优质钢产品并较之行业较低的价格。

Steel Semi-finished products / 钢材半成品

Standard / 标准: JIS, AISI, ASTM, GB, DIN, EN

Billets 钢坯

Steel billets result from the second stage of the steel production process and are hot-rolled or forged from an ingot or strand cast. Being smaller and longer than a bloom, billets have usually a square cross section less than 36 square inches.

钢坯从钢铁生产过程中,这是从钢锭或链铸造热轧或锻造的第二阶段的结果。较小,长于大方坯,钢坯,通常是一个方形的截面超过 36 平方英寸。

Grade / 牌号: 20MnSi / Q235 / Q195 / 65# / 70#

Size / 尺寸: 100/120/130/150/160/250mm x 6/9/12MTR

Slab 板坯

Steel slabs are hot-rolled from an ingot or strand cast, which are wide and rectangular in shape.

钢坯,热轧钢锭或链铸造,这是宽和长方形。

Grade / 牌号: Q235 20MnSi, SS400 or equivalent. Q235B Q345B, SS400, SM490, A36, A572, A992, Gr50, ASTM A36, S235JRG2, S235JR, S275JR

Size / 尺寸: 150-300mm x 1000-2500mm

Bloom 块钢

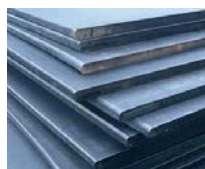

Blooms are hot-rolled or forged from an ingot or strand cast. They usually have a square cross section exceeding 36 square inches. They are mainly used in the manufacture of 'long' products such as structural shapes, structural profiles, building beams, rails and columns.

块钢是热轧或锻造从一个钢锭或链铸。他们通常有一个方形的截面超过 36 平方英寸。它们主要用于制造'长'的产品,如结构形状,结构型材,建筑梁,钢轨和列。
